Subj: RECOMMENDATION FOR OTHER THAN FULL AND OPEN COMPETITION

Ref: (a) 0327-05 – Crystal KVM Package

1. It is recommended that other than full and open competition be used to acquire reference (a) for thirty (30) portable rugged displays, part number PD-F115A-DP, manufactured by Crystal Image Technologies. The total estimated cost is [REDACTED] with delivery required 30 days after receipt of order. The requested material represents the minimum requirements of the government.

2. The requiring activity is the Naval Surface Warfare Center Dahlgren Division [REDACTED]. The requested portable rugged KVM displays are required because current Keyboard, Video, Mouse (KVM) device has become End-Of-Life (EOL). This replacement KVM will be used by [REDACTED]. When a server in the [REDACTED]

[REDACTED] require this KVM device to have a VGA port, display port, DVI port, and multiple USB connectors. [REDACTED]

[REDACTED], therefore the device must have these specified ports. Without this device, [REDACTED]

[REDACTED] This hardware requested is the only solution that has successfully completed [REDACTED] process. This hardware was identified as the only equipment possessing the form, fit, and/or function to match the current hardware [REDACTED] and to be compatible with current software. [REDACTED]

[REDACTED] The cost to the government to develop and produce equipment with matching form/fit/function would exceed [REDACTED]. It would cost approximately [REDACTED] to purchase the material to build the assemblies. The build would require a significant expenditure of labor and new infrastructure units due to the amount of research to find compatible components for the existing infrastructure,

costing approximately [REDACTED]. The costs could not be recovered through full and open competition.

3. Market research was conducted through discussions with small business vendor representatives, specification sheets, internet searches, and obtaining a market research quote. This market research has confirmed that the portable rugged displays are not available under the General Services Administration Federal Supply Schedules as a complete unit. However, market research has shown that there are authorized resellers on Solutions for Enterprise-Wide Procurement (SEWP).

CERTIFICATION

I certify that the facts and representations under my cognizance, which are included in the above recommendation, are accurate to the best of my knowledge and belief. I understand that the processing of this recommendation precludes the use of full and open competition.
