**RATIONALE FOR JUSTIFICATION TYPE SELECTED ABOVE TO INCLUDE RELEVANT INFORMATION GAINED
THROUGH YOUR MARKET RESEARCH TO SUPPORT THE JUSTIFICATION TYPE:**

Market research efforts revealed that Fastener Dimensions (Cage 0SYU2) is the only interested and capable company willing to manufacture the various custom studs to the specifications called out in ALC 1100-51-3. Although the government owns the rights to the technical data ALC does not have the ability to produce the threads in the manor specified for the required material. Aerospace fastener manufacture requires specialized equipment and processes found only in the commercial industry. Airworthiness of these specific parts can only be assured through commercial manufacture by Fastener Dimensions.
