Your proposal will be evaluated based on the technical and business information you submit in response to the following solicitation document. Additionally, we will complete a cost realism analysis on your proposal to determine what the Government should realistically expect to pay for the proposed effort, your understanding of the work, and your ability to perform the contract.

This RFP does not commit the Government to pay any cost for the preparation and submission of a proposal. In addition, the contracting Officer is the only individual who can legally commit the Government to the expenditures of public funds in connection with the proposed procurement.

Please note that at this time, this action is subject to availability of funds.

If you have any questions, please contact Winnie Tenekam or the undersigned.

Sincerely,

Courtney Garnes
Contracting Officer
