QUOTES must be received by the destination inbox no later than 06 May 2026 at 1100 (Pacific) or they will not be considered for award.

B. 52.212-2 Evaluation Commercial Items, Evaluation – Commercial Products and Commercial Services NOV 2021.

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Evaluation Factors – The evaluation factors that will be used are:

Technical Acceptability –

Technical Acceptability will be evaluated on an Acceptable/Unacceptable basis. To be rated Acceptable, the Offeror must provide:

1. Cover Letter or Email with the following information
 - a. Confirmation of an approved Quality Management System (QMS) per NAVSEA Standard Item 009-04.
 - b. Confirmation of DBIDS registration/authorization.
 - c. CAGE code and UEI.
 - d. Identification of one lead individual who will coordinate all aspects of performance (name, title, phone, email).
 - e. Written statement confirming ability to meet the required delivery date.
 - f. Written statement confirming capability and resources to perform the work described in the SOW.

Price –

Price will be evaluated based on the total combined price, for reasonableness in accordance with FAR 12.203. Award will be made to the offeror providing the Lowest price technically Acceptable (LPTA). The Offeror must provide:

1. Completed Itemized Pricing Worksheet with all required fields completed.
2. Total evaluated price shall be the sum of Itemized Pricing 0001–0006.

Past Performance –The Government will consider the recency and relevancy of past performance information compared to the requirements detailed in the Statement of Work, the source of the information, the context of the data and general trends in the offeror's performance and any associated risk. The Government will also consider the extent of the offeror's ability to perform previous contracts successfully. In accordance with DFARS provision 252.204-7024, Notice to Prospective Suppliers on Use of Supplier Performance Risk System in Past Performance Evaluations is hereby incorporated by reference.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

C. 52.212-3 Offeror Representations and Certifications – Commercial Products and Commercial Services (MAR 2025) (DEVIATION 2025-O0004). The Offeror shall complete only paragraph (b) of this provision if the Offeror has completed the annual representations and certification electronically in the System for Award Management (SAM) accessed through <https://www.sam.gov/SAM/> (only complete and return if there are changes to current SAM Registration. If 52.212-3 is not returned, the contractor is affirming that the current SAM registration is current, accurate, and complete). **If the Offeror has not completed the annual representations and certifications electronically**, the Offeror shall complete only paragraphs (c) through (v) of this provision. The [provision of FAR 52.212-3](#) must be submitted by the Offeror to be eligible for award.

D. 52.212-4 Contract Terms and Conditions -- Commercial Products and Commercial Services NOV 2023

Standard Commercial Warranties apply.

APPLICABLE PROVISIONS AND CLAUSES:

The FAR requires the use of the System for Award Management (SAM) in Federal solicitations as a part of the offer submission process to satisfy FAR 52.212-4. More information on SAM is found at <https://www.sam.gov/portal/public/SAM/>.

PACKAGING REQUIREMENTS: Unless otherwise stated in Section D clauses, packaging and preservation shall be performed in accordance with the best commercial practices to afford maximum protection against damage.

DELIVERY INSTRUCTIONS: Item shall be priced for **F.O.B. Destination**. Inspection and acceptance shall be at destination by the Government.
