<https://sam.gov>

Non- U.S. companies (CAGE code information): http://www.dlis.dla.mil/nato_poc.asp

5. Shipping and Delivery Information:

Delivery Date: (see CLINS 0001 - 4001 in Para 3 of this solicitation)

The contractor shall pack and mark the shipment in conformance with carrier requirements, deliver the shipment in good order and condition to the point of delivery specified in the purchase order, be responsible for any loss of and/or damage to the goods occurring before receipt and acceptance of the shipment by the consignee at the delivery point specified in the purchase order; **and pay all charges to the specified point of delivery.** The contractor shall deliver all Line Items to the delivery address above.

6. Interchanges: The government intends to award a purchase order without Interchanges with respective offerors. However, the Government may conduct Interchanges with one, some, none or all Vendors at its discretion.
7. FAR 52.212-1, Instructions to Offerors--Commercial Items applies to this acquisition – ADDENDUM
 - a. **Provide pricing and any discount terms utilizing the CLIN breakout under Paragraph 3** of this combined synopsis/solicitation **as well as completion of See Attachment 2 – USAFE RFeye Node Asset List.** This Attachment provides the Government a clear review of pricing per unit within specific period of performance.
 - b. **Provide vendor information specified under Paragraph 4** of this combined synopsis/solicitation.
 - c. Provide for a technical description of the software support services provided confirming that the Offeror and supporting quote supports CRFS, Inc. brand RFeye Nodes. This technical description shall be offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include software/product literature, catalog cuts, or other documents as necessary.
8. FAR 52.212-2, Evaluation—Commercial Products and Commercial Services- ADDENDUM
 - a. The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. Award shall be based on all, some, or none and best value to the Government. Quotes will be evaluated on price and offeror's ability to meet the delivery and specification requirements of this RFQ as appropriate. Only Software Support Services through CRFS, Inc. This

software must originate from CRFS to ensure compatibility with the existing sytem/RFeye Nodes. CRFS, Inc. is the only responsible source and no other supplies or services will satisfy agency requirements. All items must include a manufacturer's warranty and be stated in their quote, if applicable. The Government intends to award without discussions but reserves the right to enter discussions with offerors as deemed appropriate by the Contracting Officer. The Government reserves the right to conduct interchanges with offerors as deemed appropriate by the Contracting Officer. The following factors shall be used to evaluate offers:

i. Price

ii. Acceptability IAW Solicitation

Rating	Description
Acceptable	Offer clearly meets the minimum requirements of the solicitation & specifications provided.
Unacceptable	Offer does not clearly meet the minimum requirements of the solicitation.

- b. Options (if applicable). The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).
- c. A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are Interchanges after its receipt, unless a written notice of withdrawal is received before award.
- d. BASIS FOR AWARD / EVALUATION PROCEDURES:
- i. The Government will evaluate quotes starting from the lowest priced offer until at least two proposals are found "acceptable" from a technical standpoint. The technically acceptable Offeror's past performance will then be validated using the Government's logistical Award will then be made to the lowest priced, acceptable offeror. If only one "acceptable" offer is received, the Government will attempt to determine price to be fair and reasonable through other means than competition.
 - ii. Award will be made on the initial evaluation of quotes received in response to this RFQ. Therefore, offerors are cautioned to ensure that initial quotes contain your best terms from a technical and price standpoint. Offerors are further advised that any affirmative response in regards to FAR 52.204-24(d) will be reviewed to determine if award is in the best interest of the government. If award is not in the best interest of the government, the government reserves the right to determine the quote ineligible for award.
9. FAR 52.212-3, Offeror Representations and Certifications—Commercial Products and Commercial Services is included in this solicitation. The contractor must have a valid Representations and Certifications filed in the System for Award Management (SAM) and furnish the government a completed copy of the record with its offer.
10. FAR 52.212-4, Offeror Representations and Certifications—Commercial Products and Commercial Services applies to this acquisition. No addenda to this clause.

11. Additional clauses and provisions applicable to this solicitation and resulting award are listed further in this Combined Synopsis/Solicitation Document.

12. Provisions and Clauses by Full Text:

- a. FAR 52.217-5 Evaluation of Options. Except when it is determined in accordance with FAR 17.202(b) not to be in the Government's best interests, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

(End of provision)

- b. 52.217-9 Option to Extend the Term of the Contract.
As prescribed in 17.203(g), insert a clause substantially the same as the following:

(a) The Government may extend the term of this contract by written notice to the Contractor within 30 calendar days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 calendar days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 1590 days overall.

(End of clause)

- c. 52.252-1 Solicitation Provisions Incorporated by Reference.
This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this/these address(es):
