The following shall be used to evaluate quotes: Non-Price Factors: Factor 1 - Relevant Corporate Experience; Factor 2 - Qualifications of Key Personnel; and Price. Non-price/technical factors are more important than Price. The Government will pay a slightly higher price for a quotation that expresses a technically superior result.

- 1) Right to hold communications: The Government intends to award without communications; however, the Government reserves the right to have communication if it is determined necessary. Additionally, the Government reserves the right to make no award from this RFQ.
- 2) The Government will award a purchase order resulting from this RFQ to the most technically acceptable quote. The non-price factors, when combined, are equally important and more important than price. The following non-price factors are in relative order of importance and shall be used to evaluate offers:
 - a. FACTOR 1 – Relevant Corporate Experience;
 - b. FACTOR 2 – Qualifications of Proposed Key Personnel

B.1 BASIS FOR AWARD. The basis of the award will be of the best value to the Government. The Government will evaluate each quote as a whole and make an award to the entity that, in the Government's estimation, provides the greatest overall benefit in response to the requirement considering the Evaluation Method above.

Pricing for all CLINs, including the option period CLINs, for each period of performance as per **Attachment A-2** combined, will be evaluated by the Government.

B.1.2 EVALUATION CRITERIA. The following criteria shall be used to evaluate the Offeror's ability to meet all requirements identified in the SOW:

Similar in size and is measured as any project valued at an overall minimum of \$300,000. Project should be similar in scope/complexity providing services like those identified in SOW of this RFQ.

Factor 2 - Qualifications of Key Personnel. Submissions will be evaluated to determine that each person proposed meets the labor category requirements identified in the SOW, and each person proposed has experience performing applicable tasks identified in this RFQ (See SOW - **Attachment A-3**).

Price. The submitter's total price (including Pricing Quote as per **Attachment A-2**) will be evaluated for completeness and reasonableness in relation to the RFQ requirements. All prices for all CLINs and pricing for Staff Safety Training per **Attachment A-2** will be added

to arrive at a total quoted price. Proposed prices must be entirely compatible with the technical submission.

Evaluation of Options. The Government will evaluate offers for award purposes by adding the total price for all options to the basic requirement price. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s). (as per **Attachment A-2**)

The Government may reject any offer that is evaluated to be unrealistic in terms of program commitments, including contract terms and conditions, or unrealistically high or low in cost/price, or are unbalanced, such that the offer is deemed to reflect an inherent lack of competence or failure to comprehend the technical requirements.

The Government reserves the right to request such additional information as may be necessary to determine the offeror's qualifications for the award or to clarify any aspects of the technical and/or cost/price submissions. Such information shall be furnished promptly upon the Government's request.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689).* (Applies only if the contract value is expected to exceed the simplified acquisition threshold.)

The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals–

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

I The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being

☐ (1) *Maintenance, calibration, or repair of certain equipment as described in FAR [22.1003-4](#)I(1).* The offeror ☐ does ☐ does not certify that-

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies-

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
