FAR 52.212-2 Evaluation – Commercial Products and Commercial Services (NOV 2025) (DEVIATION)

BASIS FOR AWARD: This award selection will be conducted using Lowest Price Technically Acceptable (LPTA) procedures. To be eligible for an award, a proposal must meet all technical requirements, comply with all required terms and conditions, and include all required information. All non-price evaluation factors must be rated as "ACCEPTABLE" in

order to be eligible for award. An "UNACCEPTABLE" rating in any factor will result in the proposal being rated "UNACCEPTABLE" unless corrected through discussions. A proposal rating of "UNACCEPTABLE" makes a proposal ineligible for award. Since the LPTA methodology prohibits trade-offs, all evaluation factors and sub-factors are equally important. Proposals are evaluated for acceptability but not ranked based on non-price factors.

A price evaluation will be performed for all offerors, and proposals will be ranked from lowest to highest price based on the Total Proposed Price (TPP) provided by the offeror on the price schedule sheet. Next, each factor will be evaluated and, subsequently, the overall proposal will be prepared, beginning with the lowest-priced proposal. The award will be made to the lowest-priced proposal that meets the acceptability standards for the non-price factors. The Government intends to award a contract without discussion; therefore, the initial proposal shall conform to the solicitation requirements and shall present the best offer from a technical and price perspective.

Technical Factor 1 – Past Performance

(a) Solicitation Submittal Requirements:

Offerors do not need to provide any information under this factor as the US Government will base the evaluation on all INTERIM and FINAL Contractor Performance Assessment Reports (CPARs) that are recent and relevant. The CPARs will be retrieved from official US Government sources, including, but not limited to, the Contractor Performance Assessment Reporting System and the Past Performance Information Retrieval System.

(b) Basis of Evaluation:

Recency:

For the purposes of this solicitation, a past performance record is recent if the CPAR final date of assessment listed in the "Period of Performance Being Assessed" block is within the 24-month period preceding the proposal due date.

Relevancy:

For the purposes of this solicitation, a past performance record is relevant if the CPAR business sector is listed as "Services".

In order to receive an "acceptable" rating for this factor, an Offer's recent and relevant CPARs must NOT include one or more INTERIM and/or FINAL CPARs with a rating of "UNSATISFACTORY" in one or more categories OR one or more INTERIM and/or FINAL CPARs with a rating of "MARGINAL" in two or more categories. If an Offeror has one or more

CPARs with a rating of "UNSATISFACTORY" in one or more categories OR one or more CPARs with a rating of "MARGINAL" in two or more categories, the Offeror's past performance will be evaluated as "UNACCEPTABLE".

In the case of an Offeror without a record of recent and relevant past performance or for whom information on past performance is not available or so sparse that no meaningful past performance rating can be reasonably assigned, the Offeror may not be evaluated favorably or unfavorably on past performance. Therefore, the Offeror shall be determined to have unknown past performance. In the context of acceptability/unacceptability, "unknown" shall be considered "acceptable." An "UNACCEPTABLE" rating for a single factor will result in the Offeror's entire proposal being rated "UNACCEPTABLE".

Technical Factor 2 – Problem and Approach

(a) Solicitation Submittal Requirements:

Proposals, which merely offer a statement to conduct/provide services in accordance with the requirements in the Governments SOW, will not be eligible for award. The offeror must submit an explanation that meets the requirements identified under Performance-Based Service Delivery Summary, Completion of patient record, Prompt and continuous coverage and Credentialing.

(b) Basis of Evaluation:

This factor will be evaluated as "ACCEPTABLE" if the explanation meets the requirements identified under Performance-Based Service Delivery Summary; Completion of documentation of patient record, Prompt and continuous coverage and Credentialing, which comply with the requirements outlined above, are submitted. If an explanation of one or more Performance Task/Requirement is not provided, and/or does not comply with the requirements, this factor will receive an "UNACCEPTABLE" rating.

Technical Factor 3 – Management

(a) Solicitation Submittal Requirements:

Proposals, which merely offer a statement to conduct/provide services in accordance with the requirements in the Governments SOW, will not be eligible for award. The offeror must submit an explanation that identifies the offeror's management capabilities and responsibilities to meet the following: Tour of Duty/Schedule, Description of Services, Contractor Responsibility and Personnel Requirements.

(b) Basis of Evaluation:

This factor will be evaluated as “ACCEPTABLE” if the explanation meets the requirement for management capabilities and responsibilities to meet the following: Tour of Duty/Schedule, Description of Services, Contractor Responsibility and Personnel Requirements, which comply with the requirements outlined above, are submitted. If an explanation of one or more of the following: Tour of Duty/Schedule, Description of Services, Contractor Responsibility and Personnel Requirements and/or does not comply with the requirements, this factor will receive an “UNACCEPTABLE” rating.

IHS reserves the right to make multiple awards, which is most advantages to the Government. This is a competitive solicitation and the offer your firm submits will be used by IHS to determine, which of the quantities listed within are, “estimate only” and it is not the intent of IHS to be obligated to order the “quantities.”

Factor 4 – Price

(a) Solicitation Submittal Requirements:

Completed Price Schedule Sheet

(b) Basis of Evaluation:

The Government will evaluate price based on the proposed total price calculated as the sum of bid item 0001 Base Year, item 0002 Option Year 1, item 0003 Option Year 2, item 0004 Option Year 3 and item 0005 Option Year 3 that includes Contract cost, Subcontractor cost, Overhead and Profit. Analysis will be performed by one or more of the following techniques to ensure a fair and reasonable price:

- (i) Comparison of proposed prices received in response to the RFP.
- (ii) Comparison of proposed prices with the IGE.
- (iii) Comparison of proposed prices with available historical information.

Note: A price that is found to be either unreasonably high or unrealistically low in relation to the proposed work may be indicative of an inherent lack of understanding of the solicitation requirements and may result in the overall proposal being considered unacceptable.

INTENT TO AWARD WITHOUT DISCUSSIONS

The Government intends to evaluate proposals and award a contract without discussions with Offerors. Therefore, the Offeror's initial proposal should contain the Offeror's best terms from a price and technical standpoint. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary. In the event discussions are held, a competitive range determination will be made. If the Contracting

Officer determines that the number of proposals that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the Contracting Officer may limit the number of proposals in the competitive range to the greatest number that will permit efficient competition among the most highly rated proposals. However, The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary.

Unlawful or unauthorized substitution includes used electronic parts represented as new or the false identification of grade, serial number, lot number, date code, or performance characteristics.

The Office of Management and Budget (OMB) mandates that U.S. federal agencies use the Internet Protocol version 6 (IPv6). In November 2020, OMB issued memorandum M-21-07, "Completing the Transition to IPv6", which outlines the Federal government's strategic intent "to deliver its information services, operate its networks, and access the services of others using only IPv6". The IHS requires all new IT systems (hardware and software) to

operate in a pure IPv6 network environment. This includes on-premises or third-party hosted services requiring network integration into the IHS network. The Offeror's solution shall comply with the IPv6 standards profile defined by the NIST USGv6 Program:

Privacy Act (DEC 2015)

This contract requires the Contractor to perform one or more of the following: (a) Design; (b) develop; or (c) operate a Federal agency system of records to accomplish an agency function in accordance with the Privacy Act of 1974 (Act) (5 U.S.C. 552a(m)(1)) and applicable agency regulations.

(a) The Contractor agrees to give preference in employment opportunities under this contract to Indians who can perform required work, regardless of age (subject to existing laws and regulations), sex, religion, or tribal affiliation. To the extent feasible and consistent with the efficient performance of this contract, the Contractor further agrees to give preference in employment and training opportunities under this contract to Indians who are not fully qualified to perform regardless of age (subject to existing laws and regulations), sex, religion, or tribal affiliation. The Contractor also agrees to give preference to Indian organizations and Indian-owned economic enterprises in the awarding of any subcontracts to the extent feasible and consistent with the efficient performance of this contract. The Contractor shall maintain the necessary statistical records to demonstrate compliance with this paragraph.

(b) In connection with the Indian employment preference requirements of this clause, the Contractor shall provide reasonable opportunities for training, incident to such employment. Such training shall include on-the-job, classroom, or apprenticeship training designed to increase the vocational effectiveness of an Indian employee.

(c) If the Contractor is unable to fill its employment and training opportunities after giving full consideration to Indians as required by this clause, the Contractor may satisfy those needs by selecting non-Indian persons in accordance with the clause of this contract entitled "Equal Opportunity."

(d) If no Indian organizations or Indian-owned economic enterprises are available under reasonable terms and conditions, including price, for awarding of subcontracts in connection with the work performed under this contract, the Contractor agrees to comply with the provisions of this contract involving utilization of small businesses; HUBZone small businesses; service-disabled, veteran-owned small businesses; 8(a) small businesses; veteran-owned small businesses; women-owned small businesses; or small disadvantaged businesses.

(e) As used in this clause,

(1) *Indian* means a person who is a member of an Indian tribe. If the Contractor has reason to doubt that a person seeking employment preference is an Indian, the Contractor shall grant the preference but shall require the individual provide evidence within 30 days from the tribe concerned that the person is a member of the tribe.

(2) *Indian tribe* means an Indian tribe, pueblo, band, nation, or other organized group or community, including Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (85 Stat. 688; 43 U.S.C. 1601)

(3) *Indian organization* means the governing body of any Indian Tribe or entity established or recognized by such governing body in accordance with the Indian Financing Act of 1974 (88 Stat. 77; 25 U.S.C. 1451).

(4) *Indian-owned economic enterprise* means any Indian-owned commercial, industrial, or business activity established or organized for the purpose of profit, provided that such Indian ownership shall constitute not less than 51 percent of the enterprise, and that ownership shall encompass active operation and control of the enterprise.

(f) The Contractor agrees to include the provisions of this clause, including this paragraph (f) of this clause, in each subcontract awarded at any tier under this contract.

(g) In the event of noncompliance with this clause, the Contracting Officer may terminate the contract in whole or in part or may pursue any other remedies authorized by law or by other provisions of the contract.

(End of clause)

352.226-2 Indian Preference Program.

As prescribed in HHSAR 326.505(b), the Contracting Officer shall insert the following clause:

Indian Preference Program (DEC 2015)

(a) In addition to the requirements of the clause of this contract entitled "Indian Preference," the Contractor agrees to establish and conduct an Indian preference program which will expand opportunities for Indians to receive preference for employment and training in connection with the work performed under this contract, and which will expand the opportunities for Indian organizations and Indian-owned economic enterprises to receive a preference in the awarding of subcontracts. In this connection, the Contractor shall perform the following:

(1) Designate a liaison officer who will maintain liaison with the Government and the Tribe(s) on Indian preference matters; supervise compliance with the provisions of this clause; and administer the Contractor's Indian preference program.

(2) Advise its recruitment sources in writing and include a statement in all employment advertisements that Indian applicants receive preference in employment and training incident to such employment.

(3) Not more than 20 calendar days after award of the contract, post a written notice setting forth the Contractor's employment needs and related training opportunities in the tribal office of any reservations on or near the contract work location. The notice shall include the approximate numbers and types of employees needed; the approximate dates of employment;

any experience or special skills required for employment; training opportunities available; and other pertinent information necessary to advise prospective employees of any other employment requirements. The Contractor shall also request the tribe(s) on or near whose reservation(s) the Contractor will perform contract work to provide assistance filling its employment needs and training opportunities. The Contracting Officer will advise the Contractor of the name, location, and phone number of the Tribal officials to contact regarding the posting of notices and requests for Tribal assistance.

(4) Establish and conduct a subcontracting program which gives preference to Indian organizations and Indian-owned economic enterprises as subcontractors (including suppliers) under this contract. The Contractor shall give public notice of existing subcontracting opportunities and, to the extent feasible and consistent with the efficient performance of this contract, shall solicit bids or proposals from Indian organizations or Indian-owned economic enterprises only. The Contractor shall request assistance and information on Indian firms qualified as subcontractors (including suppliers) from the Tribe(s) on or near whose reservation(s) the Contractor will perform contract work. The Contracting Officer will advise the Contractor of the name, location, and phone number of the Tribal officials to contact regarding the request for assistance and information. Public notices and solicitations for existing subcontracting opportunities shall provide an equitable opportunity for Indian firms to submit bids or proposals by including -

(i) A clear description of the supplies or services required, including quantities, specifications, and delivery schedules that facilitate the participation of Indian firms;

(ii) A statement indicating that Indian organizations and Indian-owned economic enterprises will receive preference in accordance with section 7(b) of Public Law 93-638; 88 Stat. 2205; 25 U.S.C. 450e(b);

(iii) Definitions for the terms "Indian organization" and "Indian-owned economic enterprise" prescribed under the "Indian Preference" clause of this contract;

(iv) A statement that the bidder or offeror shall complete certifying that it is an Indian organization or Indian-owned economic enterprise; and

(v) A closing date for receipt of bids or proposals which provides sufficient time for preparation and submission of a bid or proposal. If, after soliciting bids or proposals from Indian organizations and Indian-owned economic enterprises, the Contractor receives no responsive bid or acceptable proposal, the Contractor shall comply with the requirements of paragraph (d) of the "Indian Preference" clause of this contract. If the Contractor receives one or more responsive bids or conforming proposals, the Contractor shall award the contract to the low, responsive, responsible bidder or conforming offer from a responsible offeror if the price is reasonable. If the Contractor determines the low responsive bid or conforming proposal's price is unreasonable, the Contractor shall attempt to negotiate a reasonable price and award a

subcontract. If parties cannot agree on a reasonable price, the Contractor shall comply with the requirements of paragraph (d) of the "Indian Preference" clause of this contract.

(5) Maintain written records under this contract which demonstrate -

(i) The numbers of Indians seeking employment for each employment position available under this contract;

(ii) The number and types of positions filled by Indians and non-Indians;

(iii) The total number of Indians employed under this contract;

(iv) For those positions having both Indian and non-Indian applicants, and a non-Indian is selected for employment, the reason(s) why the Contractor did not select the Indian applicant;

(v) Actions taken to give preference to Indian organizations and Indian-owned economic enterprises for subcontracting opportunities which exist under this contract;

(vi) Reasons why Indian subcontractors and or suppliers did not receive preference for each requirement where the Contractor determined that such preference was inconsistent with efficient contract performance; and

(vii) The number of Indian organizations and Indian-owned economic enterprises contacted, and the number receiving subcontract awards under this contract.

(6) Submit to the Contracting Officer for approval a quarterly report summarizing the Contractor's Indian preference program and indicating the number and types of available positions filled by Indians and non-Indians, and the dollar amounts of all subcontracts awarded to Indian organizations and Indian-owned economic enterprises, and to all other firms.

(7) Maintain records pursuant to this clause and keep them available for review by the Government for one year after final payment under this contract, or for such longer period in accordance with requirements of any other clause of this contract or by applicable law or regulation.

(b) For purposes of this clause, the following definitions of terms shall apply:

(1) The terms *Indian*, *Indian tribe*, *Indian organization*, and *Indian-owned economic enterprise* are defined in the clause of this contract entitled *Indian Preference*.

(2) *Indian reservation* includes Indian reservations, public domain Indian allotments, former Indian reservations in Oklahoma, and land held by incorporated Native groups, regional corporations, and village corporations under the provisions of the Alaska Native Claims Settlement Act (85 Stat. 688; 43 U.S.C. 1601 *et seq.*)

(3) *On or near an Indian reservation* means on a reservation or reservations or within that area surrounding an Indian reservation(s) where a person seeking employment could reasonably expect to commute to and from in the course of a work day.

(c) Nothing in the requirements of this clause shall preclude Indian tribes from independently developing and enforcing their own Indian preference requirements. Such requirements must not conflict with any Federal statutory or regulatory requirement dealing with the award and administration of contracts.

(d) The Contractor agrees to include the provisions of this clause, including this paragraph (d), in each subcontract awarded at any tier under this contract and to notify the Contracting Officer of such subcontracts.

(e) In the event of noncompliance with this clause, the Contracting Officer may terminate the contract in whole or in part or may pursue any other remedies authorized by law or by other provisions of the contract.
