

191T7026R0001 – Maintenance Services for Barriers and Gates.

Minutes From Pre-Proposal Conference held on April 28, 2026.

Introduction

The Contracting Officer, Mrs. Crystal D. Sheridan, welcomed all attendees. The following Embassy representatives attending the conference were introduced: Ms. Tiziana Carfora, Procurement Supervisor; Mr. Gabriele Di Mario, Facility Maintenance Supervisor and COR of the service; Mr. Simone Badia, Facility Representative and GTM of this service.

The following main points of the solicitation package and requirements were discussed during the conference:

- SAM.gov database registration validity is mandatory prior to proposal submission.
- **Price Proposal Submission – Volume I:**
 - Standard Form - SF-1442: How to fill out the standard form.
 - Section B – Prices + Exhibit A "Pricing Schedule": How to fill both forms out.
 - Firm-fixed prices: Base Year + 4 Option Year prices and length projection.
 - Zadroga Act: IRS form W-14: How to fill out the form
 - Section K
- **Technical Offer Submission – Volume II:**
 - **Section L – Instructions on Offer Submission:**
 - Qualifications of Offerors.

- How to submit the proposal electronically and meet the deadlines.
- The elements of the technical proposal: documents to be submitted, clarity of information to be provided, experience and past performance.
- Questions and Answers: procedures and deadlines; questions to be submitted in writing; written replies shall be posted on SAM.gov.

➤ **Section C and Section J, Exhibits:**

These sections of the solicitation package were illustrated by the Contracting representatives and the COR with a highlight on the new Bavac systems and required specialization.
