1.2 DORMANT ACCOUNT REVIEW-QUARTERLY PARTICIPATION

The Dormant Account Review, Quarterly (DAR-Q) process, is the Department of Defense (DoD) requirement to increase the Department's and NGA's ability to use available appropriations before they expire and ensure remaining open obligations are valid and liquidated before the cancellation of the appropriation. NGA disseminates and receives DAR-Q information to and from NGA's Industry Partners using the National Reconnaissance Office (NRO) unclassified Acquisition Research Center (ARC) website. NGA provides consolidated lists of lines of accounting for validation, of which contractor participation is mandatory.

Contractors holding NGA contracts and/or orders are required to support the NGA DAR-Q process. Each contractor must select two points of contact (POCs) to establish and maintain active accounts on the unclassified NRO ARC at <https://acq.westfields.net>.

Contractor POCs use the following information to register:

- 1.) Full name;
- 2.) SSN (Optional);
- 3.) Unclassified email address;
- 4.) DUNS number; and
- 5.) Unclassified telephone number.

From the <https://acq.westfields.net> homepage, click on "Register" in the upper-right-hand corner of the page; follow the instructions, and enter the requested data. Although not required for DAR-Q compliance, POCs possessing a classified email account may enter that information during registration to also create a classified ARC account.

POCs should be aware that account activation requires the registered user to validate the account by email within 24 hours of registration. Questions or problems related to the website or the registration process should be directed to

the unclassified Acquisition Center of Excellence (ACE) Help IT Desk at 703-230-6300 or acehelpdesk@westfields.net.

NGA will conduct quarterly DAR-Q reviews in accordance with the DoD Financial Management Regulations (FMR). Contractors with dormant Unliquidated Obligations appearing on any specific quarterly DAR-Q review will be notified via the NRO ARC. Once notified, contractor POCs are required to validate and upload the contractors' responses, including supporting documentation, to the NRO ARC by the due date set forth in the relevant timelines outlined by NGA and the FMR.

The COR(s) has a written designation memorandum on file with the procurement office. This memorandum, as directed by DFARs 252.201-7000(b), specifies the extent of the COR's authority to act on behalf of the contracting officer. Promptly responds to contracting officer queries for technical information and directs the contractor to submit requests for change, deviation or waiver in writing to the contracting officer. Keeps the contracting officer informed regarding communications with the contractor in order to prevent possible misunderstandings or situations that could affect contract terms and conditions and become the basis for future claims against the Government.

2) Monitoring contractor performance. Ensures delivery schedules are adhered to and provides quality assurance. Provides status to the contracting officer and other program personnel to ensure compliance with the technical requirements of the contract. If performance is not proceeding satisfactorily, or if problems are anticipated, promptly notifies the contracting officer and may provide a recommended technical course of correction action. Notifies the contracting officer if such reports or items should be rejected, stating the basis for rejection.

3) Technical Evaluation of Contractor Proposal. Evaluates contractor proposals for modifications and provides a written technical evaluation, to include price or cost elements, to the contracting officer.

4) Reviewing and Approving Payments and Acceptance. Coordinates with the contractors and the Human Resource Office (HR) all contractor data changes, to include arrival and departure, names, physical location(s), NGA organization code of office responsible for contractor-occupied-space, and employer name, address and phone. Approves badging of contractors upon contractor completion and submittal of Contractor Data Input Record Form to HR and a standardized NGA non-disclosure statement.

CORs shall not direct the contractor in any manner that would be of the type of supervision or control that converts an individual who is an independent Contractor (such as a contractor employee) into a Government employee.

Notwithstanding the delegated duties listed herein, the COR does not possess the authority of a contracting officer and, therefore, shall not alter the terms and conditions of the contract in any way, to include any commitments or changes that will affect cost, price, quality, quantity, delivery, or any other term or condition of the contract. The contracting officer is the only official with the authority to enter into or modify contractual agreements or commitments. Unauthorized acts could result in personal liability.

The duties and responsibilities set forth herein are not intended to be all-inclusive. The contracting officer may delegate additional functions as deemed necessary.
