As the Contracting Officer for Solicitation W911SG-25-R-A0004, I wanted to share an update in an effort to provide full transparency regarding this solicitation. We have paused this acquisition at this time while the Requiring Activity considers whether a contractual solution or another type of solution will best meet their need. We are maintaining the proposals received in the event that the decision is to move forward with the contractual solutions. We are taking all necessary precautions to ensure the integrity and safety of the proposals received. We thank you for your continued interest in this matter. We will continue to provide updates as possible to maximize transparency.
