**52.212-2 Evaluation — Commercial Products and Commercial Services (Nov 2021) (DEVIATION Mar 2026)**

(a) Evaluation factors: The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

- (i) price;
- (ii) Project Narrative to meet the Government requirement.
- (iii) Prior experience

***SEE AWARD SELECTION PROCESS section below***

(c) (1) *Neither a quotation nor the purchase order issued by the Government in response to a quotation form a binding contract. The purchase order is the Government's offer to a supplier to buy certain products or services upon specified terms and conditions.*

(2) *A binding contract is formed when the supplier accepts the Government's offer, either by written acceptance of the purchase order or substantial performance of the purchase order. The contracting officer may request that the contractor provide written acceptance of the order.*

(End of provision)

**AWARD SELECTION PROCESS**

**Award will be made in accordance with FAR Part 12 to the Offeror that provides the best value to the government based on price, technical, and prior experience. Per FAR 12.203(c)(2) evaluation will be conducted by comparative evaluation of offerors. This solicitation is not stating nor required to state the importance assigned to each evaluation factor and/or sub factor (FAR 12.203(c)(2)).**

1. **Price:** A price evaluation will be performed to determine the reasonableness of the proposed price. Reasonableness will be determined considering other competitive prices received and comparison to the independent Government estimate. If multiple contract line items are included in the price schedule, prices will also be evaluated to determine whether any line items are unbalanced. Offerors are cautioned to distribute costs appropriately.
2. **Technical:** Complete a project narrative demonstrating the contractors plan to meet the requirements outlined in the SOW– please see “TO SUBMIT AN OFFER” section for details on which to submit for this requirement.
3. **Prior Experience:** Complete Prior Experience references as described in “TO SUBMIT AN OFFER” section, that can confirm your company has successfully completed similar tasks outlined in the Statement of Work.

Quotes will receive a preliminary review to determine whether the quote contains sufficient information, as required by the solicitation, to allow the government to perform a meaningful evaluation. If the results of this preliminary review indicate that the quote lacks sufficient information to allow a meaningful evaluation to be conducted, the Contract Specialist/Contracting Officer may eliminate the quote from further evaluation and consideration for an award.

***The government will evaluate quotes in groups of three (3), starting with the lowest priced quotes, proceeding upward, incrementally in price, until an awardee is selected. At that point, the evaluation process stops, and award will be made to the selected Offeror.***

**52.237-1 Site Visit (Apr 1984)**

(a) Offerors or quoters are urged and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of contract performance, to the extent that the information is reasonably obtainable. In no event shall failure to inspect the site constitute grounds for a claim after contract award.
