GENERAL INFORMATION

1. This is a combined synopsis/solicitation for commercial services prepared in accordance with the format in Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; a quote is being requested, and a written solicitation is issued. The Government intends to use simplified acquisition procedures for evaluating quotes and awarding the resulting purchase order in accordance with FAR 13.106.
2. This solicitation is a Request for Quote (RFQ).
3. This solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 2025-03 17 Jan 2025.
4. This is a set-aside.
5. The North American Industry Size Classification System (NAICS) code associated with this requirement is 562991 - Septic Tank and Related Services.
6. The Product Service Code (PSC) is W085 Lease or Rental of Equipment – Toiletries.
7. Estimated award date is no later than Tuesday, 2 September 2025.
8. Quotes must be valid through Tuesday, 30 September 2025.

REQUIREMENT INFORMATION

The Performance Work Statement (PWS) is attached for review of the requirement. The service Period of Performance (PoP) is (02 Sept 2025 – 01 Sept 2026) with up to four (4) option years, renewable on an annual basis. See attached Standard Form (SF)1449 Solicitation for Contract Line Items (CLINs) and PoP for the CLIN.

INSTRUCTIONS TO OFFERORS

FAR provision 52.212-1, Instructions to Offerors -- Commercial, applies to this acquisition. As prescribed in FAR 12.301(b)(1), the following addendum is provided for this solicitation and hereby amends any language therein:

- To be considered technically acceptable, a technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary.
- The associated NAICS code for this acquisition is 562991 with a size standard of \$9 million.
- The subject RFP number is: FA820125R0009 - Portable Toilets
- The shipping method used will be FOB Destination. Partial deliveries to the location found in PWS Portable Toilets will be accepted.
- To be technically acceptable, the qualifications identified in description of service quotes, attachments, and all other correspondence as listed in this solicitation must be emailed to both the Contract Specialist (CS) and Contracting Officer (CO).
- Quoted prices for the service employee compensation need to meet or exceed the minimums in the Wage Determination (WD) 2015-5489 Revision 25, see attached.
- Include contact information for the proposed employee to permit the government to verify the employee is available to begin performance upon the PoP start date.
- For submission of prices, offerors are required to fill in the unit price and total estimated price for each CLIN, including all option CLINs on the attached Standard Form 1449 solicitation.
- An omitted or missing unit price and total estimated price may result in quote being determined non-responsive.
- Quoted prices shall be rounded to the nearest penny.
- The total evaluated price (TEP) is the total of all the CLINs including the option CLINs.
- Unless the solicitation is cancelled, for award of the order, the best value approach will be used to identify the quote that is most beneficial to the government.

FAR provision 52.212-2, Evaluation -- Commercial, applies to this acquisition. As prescribed in FAR 12.301(b)(1), the following addendum is provided for this solicitation and hereby amends any language therein:

- To be technically acceptable, do quoted prices for the service employee compensation meet or exceed the minimums in the Wage Determination (WD) 2015-5489 Revision 25, see attached.
- To be technically acceptable, quotes identify service employee(s) that are available to begin performance upon the PoP start date.
- To be technically acceptable, unit prices and total estimated prices for each CLIN, including all option CLINs, are filled in on the SF 1449.
