- 14.2. The contractor shall make all necessary travel arrangements for employees, subject to prior approval by the COR.
- 14.3. The contractor shall provide administrative support to employees in a timely fashion for time keeping, leave processing, pay, and emergency needs.

15. TASK ORDER MANAGEMENT:

- 15.1. The contractor shall establish clear organizational lines of authority and responsibility to ensure effective management of the resources assigned to this Sample Task Order.

- 15.2. The contractor shall establish processes and assign appropriate resources to effectively administer this Sample Task Order.
- 15.3. The contractor shall respond to Government requests for contractual actions in a timely fashion.
- 15.4. The contractor shall have a single point of contact between the Government and Contractor personnel assigned to support this Sample Task Order.
- 15.5. The contractor shall assign work effort and maintain proper and accurate time keeping records of personnel assigned to work on this Sample Task Order.

16. SUBCONTRACT MANAGEMENT:

- 16.1. The contractor shall be responsible for any subcontract management necessary to integrate work performed on this Sample Task Order and shall be responsible and accountable for subcontractor performance on this requirement.
- 16.2. The prime contractor will manage work distribution to ensure there are no Organizational Conflict of Interest (OCI) considerations.
- 16.3. Contractors may add subcontractors to their team after notification to the Primary Contracting Officer (PCO) and the COR.

17. BUSINESS RELATIONS:

- 17.1. The contractor shall successfully integrate and coordinate all activities needed to execute the requirements outlined in this Sample Task Order.
- 17.2. The contractor shall manage the timeliness, completeness, and quality of problem identification.
- 17.3. The contractor shall provide corrective action plans, proposal submittals, timely identification of issues, and effective management of subcontractors.
- 17.4. The contractor shall seek to ensure customer satisfaction and professional and ethical behavior of all contractor personnel.

18. IDENTIFICATION OF CONTRACTOR EMPLOYEES:

- 18.1. Refer to Section I, paragraph I.10. DOSAR 652.204-70 – Department of State Personal Identification Card Policy and Procedures (FEB 2015)
- 18.2. Additionally:
 - 18.2.1. All contract personnel attending meetings, answering Government telephones, and working in other situations where their contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression in the minds of members of the public that they are Government officials.
 - 18.2.2. They must also ensure that all documents or reports produced by contractors are suitably marked as contractor products or that contractor participation is appropriately disclosed.

- 18.2.3. **Display of ID Badges:** Contractor personnel shall wear the ID badge at all times when performing work under this Sample Task Order at a Government site, including while attending Government meetings and conferences that may take place outside the Government facility. Unless otherwise specified in the task order, each contractor employee shall wear the ID badge in a conspicuous place on the front of exterior clothing and above the waist except when safety or health reasons prohibit such placement.
- 18.2.4. **Answering Telephones:** Contractor personnel shall identify themselves as a contractor employee when answering Government telephones.
- 18.2.5. **Utilizing Electronic Mail:** When prime contractor or subcontractor personnel send e-mail messages as a part of task order performance, or otherwise relating to task order matters, each sender shall include, at a minimum, his/her name (both first and last names), the name of the individual's employer, e-mail address and phone number.

19. QUALITY CONTROL PLAN:

- 19.1. Refer to Section E, paragraph E.4., Section L, paragraph L31.3.1.4.4. and paragraph L.32.5.3.
- 19.2. The contractor shall maintain an effective quality control program to ensure services are performed in accordance with this Sample Task Order.
- 19.3. The contractor shall implement procedures to identify, prevent, and ensure non-recurrence of defective services.
- 19.4. The contractor's quality control program is the means by which the contractor assures that the work complies with the requirements of this Sample Task Order.

20. QUALITY ASSURANCE:

- 20.1. The Government will evaluate the contractor's performance under this Sample Task Order to ensure that the contractor has performed in accordance with the performance standards.

21. ACCEPTANCE CRITERIA:

- 21.1. Approval of final documents and other work products must be in accordance with the Department's established quality control plan.
- 21.2. Work performed will be reviewed for quality, timeliness, and professionalism, by the Government Manager.
- 21.3. If the performance is unacceptable, feedback will be provided in a timely fashion.

22. TIME OF PERFORMANCE:

- 22.1. Performance will include an average of 40 hours each week for the Cybersecurity Advisor (Executive Level) and 48 hours each week for the Senior Logistics Advisor (Organizational Level).

- 22.2. Total hours per position shall not exceed hours per performance period without modification to task order.
- 22.3. All positions not fully funded in this Sample Task Order are subject to DOSAR 652.232-72, *Limitation of Funds*. As such, Contractor(s)/Sub-Contractor(s) shall not provide service at risk.

23. ALTERNATE WORK SCHEDULES AND TELEWORKING:

- 23.1. Refer to Section H, paragraph H.22.
- 23.2. Alternate work schedules will be determined as situation dictates and shall be pre-approved by the COR.
- 23.3. Following is a summary of State's Telework policy:
 - 23.3.1. All contractor employees must obtain prior approval to telework and must complete the U.S. Department of State Telework Agreement, DS-5150.
 - 23.3.2. Telework is an alternate work arrangement that gives contractor employees the opportunity to conduct all or some of their work away from the primary workplace to accommodate both core and situational telework employees within the Department. It has no effect on the hours an employee works.
 - 23.3.3. The location of telework is normally the employee's primary residence. Work from any other place must be approved by the COR before teleworking.
 - 23.3.4. A contractor employee's participation in telework is voluntary and subject to COR approval.
 - 23.3.5. A COR may cancel or adjust the telework arrangement by providing written notice to the contractor employee's company.
 - 23.3.6. This decision is not subject to dispute nor does it give rise to a claim under the contract.
 - 23.3.7. At any time with prior notification, a contractor employee's telework agreement can be terminated or modified for operational considerations related to workload demands.

24. SECURITY REQUIREMENTS:
