

SITE VISIT INFORMATION

5/1/2026 0900-1100

Due to the number of questions that have been submitted in regard to N0016426Q0119, we are offering vendors a chance to attend a site visit at the place of performance. Attendance for this site visit is not required; this is a choice. Not attending does NOT eliminate a vendor from quoting or being evaluated for award. The site visit will take place on 1 MAY 2026 from 0900-1100. Please read the attached requirement labeled VISITOR REQUIREMENTS. These requirements have no exceptions and compliance is mandatory.

Visitor Passes please send an email to:

POC: Marty Terry Email: marty.s.terry2.civ@us.navy.mil
please cc the following on email: marty.arvin2.civ@us.navy.mil & daniele.m.wessel.civ@us.navy.mil
Subject Line: Visitor Pass for N0016426Q0119

Visitors must provide the information below at **least 3 days prior** to the site visit in order to be registered for base access:

Registration information:

- a. Business Name
- b. Attendee(s) Name and Title
- c. Contact Information (email and phone)

On the day of the site visit, report to the NSWC Crane Visitor Center at 0830, located near the main access gate, to register for site access. Visitors are required to present Government-issued photo ID to enter the installation. NSWC Crane personnel will provide an escort between the Visitor Center and Buildings 365 and 366. Visitors shall provide proof of registration and insurance for their vehicle (or an active rental contract) to drive their Personally Owned Vehicles (POVs) on base to the site locations.

Due to security restrictions in effect at NSWC Crane, visitors must comply with all directives of the NSWC Crane Security/Badge Office. For questions on eligibility to enter the installation, please contact the Visitor Center at (812) 854-1213 or visit <https://www.navsea.navy.mil/Home/Warfare-Centers/NSWC-Crane/Visitor-Information/> for more information.
