

**STATEMENT OF WORK (SOW)
FOR
USCG AVIATION TRAINING CENTER CLINIC SCRUB LAUNDERING**

1.0 GENERAL

1.1 BACKGROUND

The United States Coast Guard (USCG) Aviation Training Center (ATC) Mobile, located at 8501 Tanner Williams Road, Mobile, AL 36608, is a critical facility supporting the training and operational readiness of USCG aviation personnel. The ATC Medical Clinic utilizes surgical scrubs and jackets during medical procedures and routine activities. Due to the nature of clinic operations, these garments are frequently exposed to contaminating spray and spatter, necessitating regular, professional laundering to maintain hygiene, safety, and compliance with applicable regulations. Proper laundering is essential to safeguard the health of medical staff and patients, and to ensure compliance with USCG and federal standards.

1.2 SCOPE

The Contractor shall provide weekly laundering services for clinic surgical scrubs and jackets at the USCG ATC Mobile. The Government will supply all garments to be laundered; no rental or replacement of scrubs is required. The Contractor is responsible for the collection, laundering, and return of up to 140 surgical scrub sets and 28 scrub jackets weekly. All services must comply with referenced regulations and standards.

1.3 OBJECTIVE

The objective of this contract is to ensure the consistent, hygienic, and timely laundering of clinic surgical scrubs and jackets used at the USCG Aviation Training Center Mobile. By providing professional laundering services that meet all applicable industry and regulatory standards, the contractor will support the health, safety, and operational readiness of medical personnel and patients. The contract aims to minimize the risk of cross-contamination, maintain garment integrity, and ensure compliance with USCG and federal requirements, thereby contributing to a safe and effective healthcare environment within the training center.

3.0 CONTRACTOR PERSONNEL

3.1 QUALIFIED PERSONNEL

The Contractor must provide qualified personnel to perform all requirements specified in this SOW.

3.2 CONTINUITY OF SUPPORT

The Contractor must ensure that the contractually required level of support for this requirement is always maintained. The Contractor must ensure that all contract support personnel are present for all hours of the workday. If for any reason the Contractor staffing levels are not maintained due to vacation, leave, appointments, etc., and replacement personnel will not be provided, the Contractor must provide e-mail notification to the Government Representative prior to employee absence. Otherwise, the Contractor must provide a fully qualified replacement.

3.3 EMPLOYEE IDENTIFICATION

3.3.1 Contractor employees visiting Government facilities must wear an identification badge that, at a minimum, displays the Contractor name, the employee's photo, name, and badge expiration date. Visiting Contractor employees must comply with all Government escort rules and requirements, including REAL ID requirements. All Contractor employees must identify themselves as Contractors when their status is not readily apparent and display all identification and visitor badges in plain view above the waist at all times.

3.4 EMPLOYEE CONDUCT

Contractor's employees must comply with all applicable Government regulations, policies, and procedures (e.g., fire, safety, sanitation, environmental protection, security, "off limits" areas, wearing of parts of DHS uniforms, and possession of weapons) when visiting or working at Government facilities. The Contractor must ensure Contractor employees always present a professional appearance and that their conduct must not reflect discredit on the United States or the Department of Homeland Security. The Project Manager must ensure Contractor employees understand and abide by Department of Homeland Security established rules, regulations and policies concerning safety and security.

Contractors must pass a background check and present a Real ID or valid driver's license with a secondary form of ID, along with valid vehicle registration and insurance. If a contractor cannot meet these requirements, they must be escorted by a CAC holder throughout their visit, which may cause delays or denial of access if no escort is available.

For questions regarding visitor access, contact the designated Government POC

3.5 REMOVING EMPLOYEES FOR MISCONDUCT OR SECURITY REASONS

The Government may, at its sole discretion (via the Contracting Officer*), direct the Contractor to remove any Contractor employee from DHS facilities for misconduct or security reasons. Removal does not relieve the Contractor of the responsibility to continue providing the services required under the contract. The Contracting Officer will provide the Contractor with a written explanation to support any request to remove an employee.
