SPECIAL INSTRUCTIONS APPLICABLE TO GFP FOR REPAIR REQUIREMENTS CONTRACTS (Jul 1999)

In accordance with FAR 16.503(c), this is to advise that failure of the Government to furnish Government property items in the amount or quantities described in the Schedule as "estimated" or "maximum" will not entitle the contractor to any equitable adjustment in price under the Government Property clause of the contract.

This effort resulted in a Requirements type contract in accordance with FAR 16.503. This effort establishes a contract for a basic one (1) year Ordering Period and four (4) one-year ordering periods.

The mechanics of this contract type involves the issuance of separate delivery orders specifying the contract line Item Number(s) (CLINs) in the applicable contract period. Each delivery order will identify at a minimum the CLIN, Quantity, Contract Unit Price and Ship To Address.

The resulting contract will be for a Basic 12 month ordering period with four (4) twelve (12) month ordering periods:

- CLIN 000X Basic Ordering Period shall be in effect from the effective date of award for a period of 12 months.
- CLIN 10XX Ordering Period I is the 12 month period immediately following the Basic OrderingPeriod.
- CLIN 20XX Ordering Period II is the 12 month period immediately following Ordering Period I.
- CLIN 30XX Ordering Period III is the 12 month period immediately following Ordering Period II.
- CLIN 40XX Ordering Period IV is the 12 month period immediately following Ordering Period III.

BEQ: Please note that the (Best Estimated Quantities) BEQs are set forth below; however, orders may be issued for quantities in excess of or less than the BEQ. Reference Minimum Order Quantity below.

5352.201-9101 OMBUDSMAN (JUN 2023)
(IAW DAFFARS 5301.9103)

(a) An ombudsman has been appointed to hear and facilitate the resolution of concerns from offerors, potential offerors, and others for this acquisition. When requested, the ombudsman will maintain strict confidentiality as to the source of the concern. The existence of the ombudsman does not affect the authority of the program manager, contracting officer, or source selection official. Further, the ombudsman does not participate in the evaluation of proposals, the source selection process, or the adjudication of protests or formal contract disputes. The ombudsman may refer the interested party to another official who can resolve the concern.

(b) Before consulting with an ombudsman, interested parties must first address their concerns, issues, disagreements, and/or recommendations to the contracting officer for resolution. Consulting an ombudsman does not alter or postpone the timelines for any other processes (e.g., agency level bid protests, GAO bid protests, requests for debriefings, employee-employer actions, contests of OMB Circular A-76 competition performance decisions).

(c) If resolution cannot be made by the contracting officer, the interested party may contact the ombudsman, **Nicole R Furlough** at **730 326-6576**, FAX **000 000-0000**, email **nicole.furlough@us.af.mil**. Concerns, issues, disagreements, and recommendations that cannot be resolved at the Center/MAJCOM/DRU/SMC ombudsman level, may be brought by the interested party for further consideration to the Department of the Air Force ombudsman, Associate Deputy Assistant Secretary (ADAS) (Contracting), SAF/AQC, 1060 Air Force Pentagon, Washington DC 20330-1060, phone number (571) 256-2395, facsimile number (571) 256-2431.

(d) The ombudsman has no authority to render a decision that binds the agency.

(e) Do not contact the ombudsman to request copies of the solicitation, verify offer due date, or clarify technical requirements. Such inquiries shall be directed to the contracting officer.
