(c) Notice of award. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

If multiple contract line items are included in the price schedule, prices will also be evaluated to determine whether any line items are unbalanced. Offerors are cautioned to distribute costs appropriately.
2. **Technical:** Written confirmation that company specializes in, or has sufficient documented direct experience in, providing all labor, equipment, material, tools, supervision and travel necessary to perform the service outlined, and in accordance with, the attached Statement of Work (SOW). **Complete the capability statement/project narrative at "TO SUBMIT AN OFFER" section.**

**Option Contract language:**

The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement.
