Combined Synopsis/Solicitation Notice

DESCRIPTION

Description

This is a combined synopsis/solicitation for commercial products and commercial services prepared in accordance with the format Revolutionary FAR Overhaul (RFO) in [Federal Acquisition Regulation \(FAR\) subpart 12.202](#), "Streamlined Procedures for Evaluation and Solicitation for Commercial Products and Commercial Services," as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested, and a written solicitation document will not be issued.

This solicitation is issued as an RFQ. The solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 2026-01.

This solicitation is set aside for small businesses.

The associated North American Industrial Classification System (NAICS) code for this procurement is 811310, with a small business size standard of \$12.5 million. The FSC/PSC is J061.

The New Jersey VA Healthcare System, East Orange campus and Lyons campus specifically, are seeking to purchase generator/transfer switch testing, maintenance, and inspection services.

All interested companies shall provide quotations for the following: See attached Scope of Work (SOW) and pricing worksheet.

The contract period of performance is one (1) base year from award, plus the provision of four (4) option years.

The full text of FAR provisions or clauses may be accessed electronically at <https://www.acquisition.gov/browse/index/far>.

The following solicitation provisions apply to this acquisition:

1. FAR 52.212-1, Instructions to Offerors—Commercial Products and Commercial Services

Site Visit: Contractors have opportunity to attend a site visit on Tuesday, May 19th, 2026, to view the requirements at each facility. Contractors shall email the CO (Nathan.Northrup@va.gov) no later than Monday, May 18th, 2026, with their intention to attend and specifics will be provided in return. No other site visits will be provided. Contractors that do not attend the site-visit will not be excluded from competition; however, Contractors are encouraged to visit the site to gauge the complexity of this requirement.

Questions/Requests for Information: Shall be sent to the Contract Officer via email at Nathan.Northrup@va.gov no later than May 20th, 2026, 16:00EST.

All quoters shall submit the following at minimum: Capability statement demonstrating technical capability and approach to meet all the requirements of the SOW and all evaluation factors listed in section 2 below, and a completed “36C24226Q0459 Pricing Worksheet”.

All quotes shall be sent to the Contract Officer via email at Nathan.northrup@va.gov no later than May 22nd, 2026, 16:00EST.

Award will be based upon a comparative evaluation of quotes in accordance with the Simplified Acquisition Procedures of RFO [FAR 12](#). [CO will include basis of evaluation in the quote/offer, e.g., Comparative evaluation is the side by side pairwise comparison of quotes based on factors resulting in a Contracting Officer decision for the quote most favorable to the Government.]

Offerors must complete annual representations and certifications electronically via the System for Award Management (SAM) website located at <https://sam.gov/>.

2. FAR 52.212-2 Evaluation-Commercial Products and Commercial Services: In accordance with RFO FAR 12.201-1 and FAR 12.201-2 when appropriate, the contracting officer may (1) Insert the provision at [52.212-2](#), Evaluation-Commercial Products and Commercial Services, in solicitations for commercial products or commercial services.

The following are the decision factors:

- a) Technical: The quotation will be evaluated to the extent in which it can meet or exceed the Government's requirements outlined in the Statement of Work (SOW).
 - a. Staffing, Qualifications, and Experience
 - b. Management and Quality Control Approach
 - c. Emergency Response Capability: 2-hour and 4-hour requirements of SOW
- b) Past Performance: The past performance evaluation will assess the relative risks associated with a quoter's likelihood of success in fulfilling the solicitation's requirements as indicated by the quoter's record of past performance. The past performance evaluation may be based on the contracting officer's knowledge of and previous experience with the supply or service being acquired; Customer surveys, and past performance questionnaire replies; Contractor Performance Assessment Reporting System (CPARS) at <http://www.cpars.gov/>; or any other reasonable basis. No relevant past performance shall be rated as neutral past performance.
- c) Price: The Government will evaluate the price by adding the total of all line-item pricing (see attached pricing worksheet). The total evaluated price will be that sum.
 - a. Options: The Government will evaluate quotations for award purposes by adding the total price for all options to the total price for the basic requirement.
- d) Veterans Involvement: In accordance with VAAR 852.215-70, Service-Disabled Veteran-Owned and Veteran-Owned Small Business (SDVOSB/VOSB) Evaluation Factors, the Government will assign evaluation credit for a Quoter (i.e., prime contractor) which is a Service-Disabled Veteran-Owned Small Business (SDVOSB) or a VOSB. To receive credit, an offeror must be registered and verified in the SBA VertCert database at time of quotation submission and at time of award (<https://certifications.sba.gov/>) and must meet federal small business size standards for the North American Industry Classification System (NAICS) code assigned to this solicitation. Non-SDVOSB/VOSB quotations that use SDVOSBs or VOSBs as subcontractors will receive some consideration under this evaluation Factor. Quoters must state in their quotations the names of the SDVOSBs and VOSBs with whom they intend to subcontract and provide a brief description of the proposed subcontracts and the approximate dollar values of the proposed subcontracts. In addition, the proposed subcontractors must be registered and verified in the SBA VetCert database (<https://certifications.sba.gov/>) and must meet federal small business size standards for the NAICS code assigned to this solicitation at time of both quotation submission and at time of award.
