Responses to RFIs/Pre-Solicitation

DEADLINE FOR ADDITIONAL RFIs: June 20th, 2025 by 11AM EDT

NOTICE: Please see Section A.6 below for information regarding the upcoming Site Visit. At this time, RFIs are closed. The Government did receive additional questions beyond the ones listed below, but they are currently being addressed by the team. The Government will issue a future amendment to provide those questions and answers.

1. We would like to know if this is a brand new contract OR if there is (was) an incumbent performing these services. If not brand new, could you please provide the current / previous contract number?
 - Government Answer: This is a brand new contract, therefore no current or previous contract can be provided.
2. The Pre-Solicitation notice states that the NAICS is 238220 and the posted Pre-RFP document has the NAICS code as 561210. Can you please clarify the correct NAICS code?
 - Government Answer: The correct NAICS is 238220 - Plumbing, Heating, and Air-Conditioning. Any previous mention of 561210 was in error and has thus been removed from current RFP verbiage /documentation.
