Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Reference 2.1 TRF Bangor Engineering Memorandum 410/259M-25 Rev-A, Thermal Spray Snorkel Induction Mast Standpipe

Reference 2.3 NAVSEA T9074-AA-GIB-010/1687 dtd 12 JUN 2017; Thermal Spray Process for Naval Ship Machinery and Non-Skid Applications

Reference 2.4 MIL-STD-1687A; Thermal Spray Processes for Naval Ship Machinery Applications, includes Notice 2 dtd 12 JUN 2017; Notice of Cancellation

1. Technical Criteria:

Evaluation Criteria	Submission Requirement
Technical Factor 1, Thermal Spray Qualification Data: The review and approval of the contractor's solicitation proposal's Thermal Spray qualification data will be conducted by an engineer from code 413 on behalf of TRFB code 400 E&PD. TRFB code 413 engineer will evaluate the contractor's submitted data to ensure compliance with all NAVSEA requirements for Thermal Spray application to include References 2.3 and 2.4.	a. Documented proof that the contractor's thermal spray facility, quality assurance program, and the thermal spray procedures used in support of these services have been previously certified by NAVSEA IAW paragraphs 5.1 and 5.2 of Reference 2.3. b. Reference 2.4 was the previous approved military specification for thermal spray processes for naval ship machinery applications, which was superseded by Reference 2.3 as detailed in "Notice 2" of Reference 2.4. Contractors who were previously NAVSEA certified to perform machinery restorative thermal spray processes, along with their facilities and previously approved machinery restorative thermal spray procedures under Reference 2.4 are satisfactory for performance and contract award per NAVSEA Thermal Spray ISEA representatives.
Technical Factor 2 - Property Management Plan: The Contracting Officer shall make a determination regarding whether or not the submittal meets the ten (10) elements of FAR clause 52.245-1(f). If the Contracting Officer's determination is that the submittal does not meet the ten (10) elements of FAR clause 52.245-1(f), the Contracting Officer will notify the contractor at award that they have 45 days to submit a corrective action plan. The corrective action plan shall include a timeline for implementation.	a. Technical Factor 3, Small Business Representation: The offeror's profile in the System for Award Management (SAM.gov) must be active at the time of proposal submission and at the time of award. Representations and Certifications must be current, accurate, and reflect the appropriate North American Industry Classification System (NAICS) code designated for this procurement.	a. Contractors should ensure all small business certifications are valid and up to date. Proposals from offerors whose small business certifications are expired, pending approval, mismatched with the SAM.gov profile, or otherwise unverifiable at the time of evaluation will be deemed nonresponsive and technically unacceptable. These proposals will be removed from further consideration for award.

2. Past Performance Evaluation:

Assessment of past performance will be a subjective assessment based on consideration of all relevant facts and circumstances. The Government is seeking to determine whether the offeror has consistently demonstrated a commitment to customer satisfaction and timely delivery of quality goods and services. Past performance information shall be obtained from established systems such as the Contractor Performance Assessment Reporting System (CPARS), Supplier Performance Risk System (SPRS), Electronic Subcontract Reporting System (eSRS), or other databases. Past performance information may also be obtained from other sources available to the Government, such as the Defense Contract Management Agency; and interviews with Program Managers, Contracting Officers, Fee Determining Officials.

NOTE: In the case of an offeror without a record of relevant past performance or for whom information on past performance is not available or so sparse that no meaningful past performance rating can be reasonably assigned, the offeror may not be evaluated favorably or unfavorably on past performance (see FAR 15.305 (a)(2)(iv)). Therefore, the offeror shall be determined to have unknown (or "neutral") past performance. In the context of acceptability/unacceptability, a neutral rating shall be considered "acceptable."

3. Price Evaluation:

The Government will not evaluate price adjectivally. The Government will analyze the price provided using analysis techniques to determine fair and reasonable price. The Government may use one or a combination of price analysis techniques and procedures to ensure a fair and reasonable price is received. Award will be made on the basis of the lowest priced quote that meets the acceptability standards for all non-price factors, in accordance with FAR 15.103-2.

(b) *Notice of award.* A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. (h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals-

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) *Taxpayer Identification Number (TIN)* (26 U.S.C. 6109, 31 U.S.C. 7701). (Not applicable if the offeror is required to provide this information to the SAM to be eligible for award.)
