

NOTICE OF INTENT TO BRAND NAME EXCEPTION

PR15879109

This is not a solicitation; this is a **NOTICE OF INTENT** to award a brand name procurement action as follows:

The Bureau of International Narcotics and Law Enforcement (INL) at the U.S. Embassy in Bogotá-Colombia intends to award a firm fixed-price purchase order for the supply of: **ONE (1) YEAR OF PROFESSIONAL SUPPORT AND MAINTENANCE SERVICES FOR THE CASPER/DIEGO PLATFORM**. For this requirement, service for the CASPER/DIEGO brand of platform is considered the only brand, and no other services will accomplish Embassy Bogota requirements.

A brand name exception is required for the procurement of this specialized maintenance service, due to compatibility and operationality issues with the CASPER/DIEGO brand of platform/system currently in use by law enforcement. This procurement action is being conducted in accordance with the statutory authority of FAR Part 6.103-1, which states that only one brand-name and no other will satisfy requirements.

Any interested party that believes it can meet the requirements described herein may identify themselves and must provide evidence of their capability to fulfill the requirement.

Responses must be submitted in writing to Antonio C. Segovia at SegoviaAC@state.gov and must be received **no later than May 5, 2026**, at 16:00 hours (Bogota, Colombia) time.

Sincerely

Chantale Breton
Contracting Officer, INL Bogota
