Addendum To Far 52.212-1 Instructions To Offerors--Commercial Items

Submission of Offers:

Offer Format. Offers may be submitted using Contractor-generated quote forms; no Government-generated form exists beyond this solicitation.

Offerors may provide pricing based on the recommended CLIN structure identified in this solicitation or propose an alternative line item structure in accordance with DFARS provision 252.204-7011 to ensure that the resulting contract structure is economically and administratively advantageous for the Government and Offeror.

Representations and Certifications (Reps & Certs). Offers need not include Reps & Certs unless the Offeror has not electronically completed Reps & Certs in the System for Award Management (SAM).

As part of the overall proposal content and organization, please provide/account-for the following:

- a. **Technical Capability** - In your proposed solution package, explicitly provide proof of MIL-PRF-19500 qualification, confirmation of an on-shore manufacturing facility, estimated impact metrics (number of

components and DoD programs affected), and a narrative demonstrating your probability of success in mitigating obsolescence.

- i. **Performance Schedule** – Please provide an overall schedule, preferably in a Microsoft Project style schedule or similar format (Contractor format acceptable). The proposed schedule shall identify each major milestone and identify any entrance and exit criteria for major and minor milestones.
 - ii. **Reporting** – In addition to those outlined in the PWS, please propose and identify any additional data or other reporting to be delivered along with the proposed format. Please identify any other recommended data deliverables commonly required.
- b. **Past Performance Narrative** - While formal PPIRS/FAPIIS records are not required, please provide a brief narrative or list of previous contracts demonstrating explicit experience with MIL-PRF-19500 component production.
- c. **Pricing** - In your proposed solution package, please outlined the proposed fixed support amount. Please identify the entire estimated scope of the work effort, at a high level of detail, and then further identify the subset of the work effort, with supporting cost data and documentation, where applicable.
 - i. **Payment Schedule** - Please propose a payment schedule that corresponds to the paragraphs of the corresponding SOW within your proposal package that allows for complete invoicing and payout based on completion of milestones, minimizing administrative effort for both Government and the Offeror. Where possible, please attempt to minimize/eliminate both the need for progress based payments where payments based on performance based milestones are more appropriate and better represent successful work accomplishments.

Past Performance Information. Offers need not include Past Performance Information Retrieval System (PPIRS) or Federal Awardee Performance and Integrity Information System (FAPIIS) information.

Quote Submittal. Quotes are due to the Contracting Officer, Nicholas Roberts , by 1400 (2:00 p.m.) Pacific Standard Time (PST), Thursday, 14 May 2026 via email: Nicholas.s.roberts8.civ@mail.mil

The Government may reject any or all quotations. The Government reserves the right to cancel this solicitation at any time. The Government will not reimburse any proposal preparation costs or other expenses incurred to respond to this notice.

Addendum To Far 52.212-2 Evaluation—Commercial Items

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

- (i) Technical capability of the proposal to meet the Government requirement;
 - a. MIL-PRF-19500 Qualified Supplier
 - b. On-shore Manufacturing Facility
 - c. Impact
 - i. How many components will be affected?
 - ii. How many DoD programs will be affected?
 - d. Probability of Success at Mitigating Obsolescence.
 - e. Schedule for the completion of mitigation activities
- (ii) past performance
 - a. Demonstrated experience with MIL-PRF 19500 component production
- (iii) price

Factors and subfactors are listed in descending order of importance.

Technical and past performance, when combined, are significantly more important than cost or price.

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
