52.229-11	Tax on Certain Foreign Procurements-Notice and Representation.	(Jun 2020)
------------------	---	-------------------

Tax on Certain Foreign Procurements-Notice and Representation (Jun 2020)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area of the United States.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror may claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service (IRS) Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It [] is [] is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 [] a full exemption, or [] partial or no exemption [Offeror must select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the IRS as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

(May 2021)

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

Instructions, Conditions, & Notices to Offerors or Quoters

This is a combined synopsis/solicitation for commercial products or commercial services prepared in accordance with part 12. This announcement constitutes the only solicitation. Offers are being requested and a separate written solicitation will not be issued. Solicitation number FA706026Q0009 is issued as a request for quotation (RFQ) for USAF Band Production Services. This acquisition is not set-aside for small business concerns. This solicitation incorporates provisions and clauses by reference. The full text of provisions and clauses may be accessed electronically at www.acquisition.gov.

Multiple Award BPA Ordering Procedures

General Process

All orders placed against this Blanket Purchase Agreement (BPA) will be competed among all BPA holders. This competitive process ensures that the government receives the best value for each individual requirement. For every identified need, the government will issue a written Request for Quotation (RFQ) that includes a detailed Statement of Work (SOW) or Performance Work Statement (PWS).

The dollar limitation for each individual purchase under this BPA is \$750,000.

Regarding authorized purchasers, only warranted Contracting Officers from the 11th Contracting Squadron (11 CONS) are authorized to place orders under this BPA. Unless an official authorized caller list is provided that details other parties who may place orders, 11 CONS will be the sole ordering activity.

The government is obligated only to the extent of authorized orders placed against the BPA and does not guarantee a minimum number of orders or total value.

Task Order Request for Quotation and Submission

When a requirement is identified, the Contracting Officer will issue an RFQ to all BPA holders, providing a fair opportunity for each to submit a quote. Each RFQ will provide a complete description of the requirement, including the SOW/PWS, a list of deliverables and schedules, instructions for quote format and submission, the response deadline, and the specific evaluation criteria for award. BPA holders will be provided with a response time of at least 10 calendar days to submit a proposal, unless a shorter timeline is mutually agreed upon at the time of solicitation. BPA holders must submit their quotes in the format and by the deadline specified in the RFQ to be considered for the award.

Task Order Evaluation and Award

The government will award a firm-fixed-price task order to the responsible BPA holder whose quote represents the best value to the government. The best value determination will be made after a comprehensive evaluation of proposals based on the factors listed below, presented in descending order of importance.

1. **Technical Approach:** As the most important factor, the technical approach will be evaluated to determine the degree to which it demonstrates a thorough understanding of the requirements. The evaluation will assess the soundness of the proposed methodology, the feasibility of the plan, and the overall risk of unsuccessful performance. A superior technical approach may be deemed more valuable than a lower price.
2. **Price:** The proposed price will be evaluated for reasonableness and realism. While price is a significant consideration, the government is not obligated to select the lowest-priced offer. It will become a more important factor when competing quotes are considered substantially equal in their technical merit.
3. **Past Performance:** The government will assess its confidence in the offeror's ability to successfully perform the work based on their history of conforming to requirements on recent and relevant contracts. The evaluation may consider information from various sources.

=====

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
