SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

AMENDMENT 0001

The purpose of this amendment is to provide the following:

1. Provide site visit schedule / location:

Date and Time: Monday, 18 August 2025 at 1000 EDT

Location: This site visit will require visiting substation Navy South Switching Station at CEP-51, Naval Station Norfolk (NSN), Norfolk, VA. Once Navy South substation is reviewed, we will mobilize to Switch 232 located at Naval Support Activity Hampton Roads (NSA HR), Norfolk, VA. Switch 232 is in the CA area, near Ingersol, northeast of CA 230. The MGRS is 18SUF8439688215 if you need to locate Switch 232 in Google Maps. Please also refer to the map of Naval Station Norfolk and NSA Hampton Roads, Norfolk (Attachment L in the Solicitation). Please note, as much of the work to be completed is underground in existing manholes/ductbanks, we will only be able to visit where the substations are located during the site visit.

Badging: Contractor personnel that do not have DBIDS access for Naval Station Norfolk (NSN) and Naval Support Activity Hampton Roads (NSA HR) must complete both the SECNAV 5512 form and ODP spreadsheet (ATTACHMENTS D and E in the Solicitation) and submit to mellisa.d.licata.ctr@us.navy.mil. Complete block 24 of SECNAV 5512 with the following base sponsor information: Mellisa Licata, (757) 341-1826. These requests must be submitted as soon as possible in order to ensure processing prior to the site visit date.

This will be the **ONLY** Government scheduled site visit.

2. Update PEE Proposal due date time from 0200 to 1400 local time.
3. Extend the Pre-Proposal Inquiries (PPI) due date from 25 August 2025 at 1400 local time to 27 August 2025 at 1400 local time.
4. Extend the Proposal due date from 02 September 2025 at 1400 local time to 05 September 2025 at 1400 local time. **LATE PROPOSALS WILL NOT BE CONSIDERED.**
