☐ FAR 8.405-6(a)(i)(1)(B) Only one source is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized

☐ FAR 16.505(b)(2)(i)(C) The order must be issued on a sole-source basis in the interest of economy and efficiency because it is a logical follow-on to an order already issued under the contract, provided that all awardees were given a fair opportunity to be considered for the

When setting aside orders for small business concerns, the specific small business program eligibility requirements identified in part 19 apply.

☐ FAR 16.505(b)(2)(i)(G) For DoD, NASA, and the Coast Guard, the order satisfies one of the exceptions permitting the use of other than *full and open competition* listed in 6.302 (10 U.S.C. 3406(c)(5)).
