

Anniston Army Depot

Relocation Services

Base Year FY25

PERFORMANCE WORK STATEMENT (PWS)

SECTION 1

General Information

1. GENERAL:

This is a non-personal services contract, to provide Relocation Services to Anniston Army Depot (ANAD) on an “as needed” basis. The Contractor shall retain full responsibility for the supervision and control of its personnel performing the services detailed herein. While the Contractor remains solely accountable to the Government for satisfactory completion of all contractual obligations, the Government will not exercise direct oversight of the Contractor's personnel.

1.1 Services Description:

The Contractor shall provide all labor, equipment, materials, transportation, tools, and supervision necessary to execute Relocation Services as defined in the associated Performance Work Statement (PWS), excluding items designated as Government Furnished Property (see Section 3). These Relocation Services encompass the comprehensive relocation of existing office furniture, office furnishings, office equipment, and office related materials. This includes, but is not limited to, pre-move planning and design, provision of packing materials, packing and crating, loading and unloading, transportation to the designated location within ANAD, and final placement and setup according to the specifications outlined in the PWS.

1.1.1

This contract stipulates the provision of the specified supplies or services for the duration outlined in the Schedule. The quantities detailed in the Schedule and Section 1.3 are estimates only and do not constitute a guaranteed purchase quantity. Unless otherwise stipulated in this contract, the Government's actual requirements, whether exceeding or falling short of the estimated quantities, shall not constitute grounds for an equitable price adjustment.

1.1.2

The Contractor shall commence delivery or performance of services exclusively upon the issuance of authorized orders in accordance with the Ordering clause. Subject to limitations outlined in the Order Limitations clause or elsewhere within this contract, the Contractor shall furnish all supplies and services specified in the Schedule and requested through authorized orders. The Government reserves the right to issue orders encompassing pickup and delivery from and to multiple locations, or performance at various locations as required.

1.1.3

Unless otherwise specified, the Government shall procure from the Contractor all supplies and services detailed in the Schedule deemed necessary by the Government activity or activities identified in the Schedule.

1.1.4

The Government is not obligated to purchase quantities exceeding any limits established for total orders within this contract.

1.1.5

In the event the Government requires expedited delivery of any item prior to the earliest possible delivery date stipulated in this contract, and the Contractor is unable to accommodate such accelerated delivery, the Government reserves the right to procure the urgently required goods or services from an alternative source.

1.1.6

Any order issued within the effective period of this contract that remains incomplete upon the contract's expiration shall be completed by the Contractor within the timeframe specified in the order. The terms and conditions of this contract shall govern the rights and obligations of both the Contractor and the Government with respect to such orders, as if completed within the contract's effective period. However, the Contractor shall not be obligated to fulfill any deliveries under this contract beyond 21 June 2030.

1.2 Background:

The need for Relocation Services at ANAD fluctuates based on facility restructuring, modifications, and personnel realignments. This requirement has historically been met through a combination of contracted services and government personnel, as needed.

1.3 Objectives:

The Contractor shall provide a comprehensive range of services to relocate existing office furniture, furnishings, equipment, and related supplies within ANAD. This includes the disassembly, packing, crating, loading, transportation, unloading, unpacking, reassembly, setup, and placement of all items according to the specifications outlined in the PWS. The estimated volume of Relocation Services required is projected to range from zero (0) to twenty (20) instances per year.

1.4 Scope:

Relocation Services for ANAD encompass the disassembly, packing, crating, loading, and transportation of existing office furniture, equipment, and furnishings to new locations within ANAD, as required. The Contractor shall unload, unpack, reassemble, set up, and position all relocated items according to the specifications detailed in each order. The Contractor shall be responsible for the removal of all packing and crating materials from the buildings upon completion of services.

1.4.1 Environmental Compliance and Reporting:

The Contractor shall strictly comply with all applicable federal, state, and local environmental laws, statutes, regulations, executive orders, and permits. This includes adherence to all relevant Army regulations (and supplements), Major Subordinate Command (MSC) regulations, and installation regulations and policies.

1.4.2 Green Procurement Compliance: The Contractor shall adhere to the following guidelines for the acquisition of building materials and products:

- * Federal EPA Comprehensive Procurement Guidelines: As outlined in www.epa.gov/cpg.

- * Army Contracting Command Quick Guide for Sustainable Procurement: Available at (<https://www.denix.osd.mil/spp/>)

Material selection shall prioritize products that:

- * Demonstrate a long-life cycle.
- * Exhibit the least toxicity.
- * Are recyclable and/or contain maximum recycled content.
- * Promote resource efficiency.
- * Are derived from sustainably harvested sources.
- * Minimize pollution throughout their manufacture, use, and potential reuse.

1.4.3 Conflict Notification:

The Contractor shall immediately notify the Directorate of Risk Management (DRK) and Directorate of Public Works (DPW), via the Contracting Officer Representative (COR), of any identified conflicts between the following:

1. Applicable federal, state, or local environmental laws, statutes, executive orders.
2. Provisions of Army Regulation 200-1.
3. Any specifications outlined in this contract.

1.4.4 Regulatory Notifications:

The Contractor shall immediately notify DRK and DPW, via the COR, upon:

1. The arrival onsite of any federal, state, or Department of Defense (DoD) environmental regulator or enforcement agent.
2. Receipt of any correspondence from a federal or state environmental agency.

1.4.5 Noncompliance Reporting and Corrective Action:

1. Reporting: The Contractor shall immediately report any instance of non-conformance or noncompliance with applicable environmental laws, Army regulations, and/or installation environmental policies to DRK and DPW, via the COR.
2. Corrective Action: Upon receiving verbal or written notice of environmental noncompliance or non-conformance from the COR, the Contractor shall take immediate corrective action.

1.4.6 Contractual Remedies for Noncompliance:

Failure or refusal by the Contractor to implement immediate corrective action for instances of noncompliance may constitute grounds for the Contracting Officer (KO) to invoke appropriate contractual remedies. Such remedies may include, but are not limited to, partial or complete work stoppage until satisfactory corrective action has been taken.

1.4.7 Scope of Work Changes:

The Contractor is prohibited from proceeding with any changes to the Scope of Work, whether verbal or written, originating from any source other than the KO. All approved changes to the Scope of Work will be provided in writing by the KO.

1.5 Period of Performance:

1. Base Year: A twelve (12) month period commencing on date of award.

2. Option Years: Four (4) potential twelve (12) month option periods.

1.6. Hours and Place of Performance:

1.6.1 Hours of Operation:

1. Normal Hours: 0700 (7:00 AM) to 1630 (4:30 PM), Monday through Thursday. 0700 (7:00 AM) to 1530 (3:30 PM) on alternating Fridays (5-4-9 Work Schedule).

2. Off-Hour Work: Relocation work outside of normal hours, including weekends, may be approved and scheduled based on ANAD workload and mission requirements, subject to approval by the KO or COR.

3. Closures: No work shall be performed on days when ANAD is officially closed due to severe weather, natural disasters, or similar events.

1.6.2 Place of Performance:

All work performed under this contract shall be executed at Anniston Army Depot (ANAD), 7 Frankford Avenue, Anniston, Alabama 36201. Specific facility locations within ANAD may vary depending on the requirements of each individual order for services.

1.7. SECURITY:

In accordance with (IAW) Army Regulation 525-13, paragraph 5-19, all prospective contractors shall undergo a verification process to determine trustworthiness and suitability prior to being granted access to ANAD.

Limited access with escort may be granted (at ANAD's discretion) for an interim period while investigations are being conducted.

1.7.1. AT Level I Training:

All contractor employees, including subcontractor employees, requiring access to Army installations, facilities, or controlled access areas shall complete AT Level I awareness training within 60 calendar days after contract start date or effective date of incorporation of this requirement into the contract, whichever applies. The Contractor shall submit certificates of completion for each affected Contractor employee and Subcontractor employee to the COR (or to the KO, if a COR is not assigned) within 60 calendar days after completion of training by Contractor and Subcontractor employees. AT Level I awareness training is available at <https://atlevel1.dtic.mil/at>.

1.7.2.

FPCON IMPACT, Access and General Protection/Security Policy and Procedures: All Contractor and all associated Subcontractor employees shall comply with applicable installation, facility, and area commander installation and facility access and local security policies and procedures (provided by the Government representative). The Contractor shall also provide all information required for background checks to meet ANAD access requirements to be accomplished by the installation Director of Emergency Services. The Contractor workforce shall comply with all personal identity verification requirements as directed by DoD, Headquarters Department of the Army, and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the Government may require changes in contractor security matters or processes. Impact on contractor performance during increased FPCON during periods of increased threat (Contractor personnel working on an installation). During FPCONs Charlie and Delta, services may be discontinued or postponed due to higher threat and shall resume when FPCON level is reduced to level Bravo or lower.

1.7.3.

iWATCH (See Something, Say Something) Training: The Contractor and all associated Subcontractors shall brief

all employees on the local iWATCH program (training standards provided by the requiring activity Anti-Terrorism Officer (ATO)). This locally developed training shall be used to inform employees of the types of behavior to watch for and instruct employees to report suspicious activity to the COR. This training shall be completed within sixty (60) calendar days of contract award and within sixty (60) calendar days of new employees' commencing performance, with the results reported to the COR no later than sixty (60) calendar days after contract award.

1.7.4

Vehicles Registration for Contractor-Owned and Contractor Employee-Owned Vehicles: All Contractor owned vehicles shall operate according to all State and Installation traffic regulations.

1.7.5

Random Antiterrorism Measures Program (RAMP): ANAD is a closed post with access restrictions. All Contractor personnel working on ANAD are subject to participation in installation RAMP security programs (e.g. vehicles searches, wearing of ID badges, etc.). Vehicles and personnel are subject to search and seizure of contraband and/or unauthorized Government property. Contractor vehicles (Contractor-owned and personal), Contractor personnel, and their personal property shall be subject to inspections and searches upon entering or leaving the Installation as authorized in AR 190-5, Motor Vehicle Traffic Supervision.

1.7.6

Per AR 530-1, Operations Security, new contractor employees must complete Level I OPSEC training. New employees must be trained within 30 calendar days of reporting for duty and annually thereafter. OPSEC awareness training is available at: <https://securityawareness.usalearning.gov/opsec/index.htm>
ACC-WRN

1.8

Personnel: The Government has the right to remove any Contractor employee from the installation and to deny access to the installation by any Contractor employee who poses a potential threat to the health, safety, security, general wellbeing, or operational mission of ANAD or its population.

1.8.1

The Contractor shall provide a roster of personnel expected to perform services under this contract to the COR, no later than ten (10) workdays prior to contract commencement and monthly thereafter. This personnel roster shall include the employee's full name, position to be held and badge number. The Contractor shall update this roster monthly during the duration of the contract.

1.8.2

Personnel Security Requirements: The Contractor shall comply with Government personal identity verification procedures implemented in Homeland Security Presidential Directive (HSPD) – 12, Office of Management and Budget (OMB) Guidance M-05-24, and Federal Information Processing Standards Publication (FISP PUB) number 201.

1.8.2.1

Contractor personnel shall meet the following requirements:

1.8.2.2

All Contractor employees shall be legal residents of the United States.

1.8.2.3

The Contractor shall ensure that employees are qualified and possess the skills, knowledge, and training to satisfactorily perform the services required by the contract. Personnel performing work under this contract shall not be considered employees of the Government. All employees assigned by the Contractor to perform work under this contract shall be physically able to do the assigned work.

1.8.2.4

Contractor personnel operating a vehicle in performance of this contract shall have current, valid driver's licenses.

1.8.2.5

Identification of Personnel: The Contractor shall ensure each employee has a clearly readable picture identification badge. The badge shall be made of a durable material or plastic, and shall include, as a minimum, the employee's name and current/recent picture, badge number, and Contractor's name. These ID badges shall be consecutively numbered and made accountable by the Contractor. The Contractor shall ensure that Contractor personnel always wear the badge in plain view when performing work under this contract. The Contractor shall provide a list of badge numbers to the KO and COR at the post award meeting and shall update list monthly. The installation may also require a government issued badge and/or gate pass. The ANAD security badge shall meet this requirement.

1.8.2.6

Appearance of Personnel: The Contractor shall ensure that Contractor personnel always present a neat and professional appearance. Contractor's personnel shall remain fully clothed while performing under this contract. This includes shirts with sleeves (short or long), long pants, and shoes. At all times during contract performance, Contractor personnel shall wear as outer wear a shirt or vest with the company logo and name. Offensive pictures, sayings, tank tops, tee shirts and spandex or similar fabric worn as outerwear are strictly prohibited.

1.8.2.7

Conduct of Personnel: Contractor personnel's conduct shall not reflect discredit upon ANAD. The Contractor shall remove any employee for reasons of misconduct or security from the jobsite. The removal from the job site of such a person shall not relieve the Contractor of the requirement to provide sufficient personnel to perform adequate and timely service.

1.8.2.8

The Contractor shall not employ any person who is an employee of the United States Government if the employment of that person would create a conflict of interest nor shall the contractor employ any person who is an employee of the Department of the Army, either military or civilian, unless such person seeks and receives approval in accordance with the Joint Ethics Regulation.

1.8.2.9

ANAD Regulations: The Contractor's employees shall observe and comply with all local policies and procedures concerning fire, safety, environmental protection, sanitation, security, and possession of firearms or other lethal or illegal weapons or substance.

1.8.3.1

Post Award Conference/Periodic Progress Meetings: The Contractor agrees to attend any post award conference convened by the contracting activity or contract administration office in accordance with Federal Acquisition Regulation Subpart 42.5. The KO, COR and other Government personnel, as appropriate, may meet periodically with the Contractor to review the Contractor's performance. At these meetings, the KO shall apprise the Contractor of how the government views the Contractor's performance and the Contractor shall apprise the Government of problems, if any, being experienced. Appropriate action shall be taken to resolve outstanding issues. These meetings shall be at no additional cost to the government.

1.8.3.2

Contracting Officer Representative (COR): The COR shall be identified by separate letter. The COR monitors all technical aspects of the contract and assists in contract administration. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract: perform inspections necessary in connection with contract performance: maintain written and oral communications with the Contractor concerning technical aspects of the contract: monitor Contractor's performance and notifies both the Contracting Officer and Contractor of any deficiencies; coordinate availability of government furnished property, and provide site entry of Contractor personnel. A letter of designation issued to the COR, a copy of which is sent to the Contractor, states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order.

1.8.3.3

Key Personnel: The Contractor shall provide a contract manager who shall be responsible for the performance of the work. The name of the contract manager and an alternate contract manager who shall act for the Contractor when the contract manager is absent shall be designated in writing to the KO. The contract manager or alternate contract manager shall have full authority to act for the Contractor on all contract matters relating to daily operation of this contract.
