

The Government intends to make a single award to an offeror, pursuant to an affirmative determination of responsibility, whose proposal, conforming to the solicitation, is determined to be in the best interest of the Government, price and other factors considered. In this tradeoff process, non-price factors (when combined) are approximately equal to price. Technical criteria and past performance are of equal value.

Evaluation criteria to be applied to proposals received in response to this solicitation are detailed below. Offerors are advised that should the offeror's proposals be considered approximately the same or equal under non-price factors, price could be paramount in the selection decision.

M.02.01 Technical Criteria

Demonstrated approach to providing an appropriate mix of resources to deliver quality medical care to the Inmates located at the institution, while mitigating the Government's costs and security risks, as measured by the following subfactors, which are of equal importance:
