Section L6 Attachment: Past Performance Questionnaire

We are in the process of competitively selecting a source for Solicitation FA302925R0005

One of the considerations in the proposal evaluation is the verification of the offerors' past performance on contracts or other work efforts which reflect the offeror's ability to perform on the proposed effort. We depend on information received from organizations such as yours, which have had first-hand experience with the offeror, for the evaluation of the offeror's performance on those contracts or work efforts.

Our areas of interest regarding the offeror are summarized in the enclosed questionnaire. In order to meet the acquisition milestones, we request your written response no later than 7 calendar days after your receipt of this letter. This schedule will allow us sufficient time to analyze the data prior to the start of negotiations.

To assist you in preparing your response and expediting your reply, the questionnaire may be filled out electronically and e-mailed to 71conf.pkb.construction@us.af.mil or by mail to the mailing address listed below. Your completed questionnaire will become a part of the official Source Selection records.

Vance AFB Contracting Office
246 Brown Parkway, Ste 225, Bldg 500
Vance AFB, OK, 73705

Your assistance is greatly appreciated, and your prompt response will be one of the keys to the successful and timely completion of this Source Selection.

Section 4: Performance Information

In the questions below, indicate your rating for the contractor's performance by checking the appropriate box under each question. Provide supporting information for each response in the space provided. Attach additional pages if more space is needed. The performance rating scale is defined as follows:

<u>Code</u>	<u>Performance Rating</u>
E	EXCEPTIONAL – Performance meets contractual requirements and exceeds many requirements to the Government's benefit. The contractual performance assessed was accomplished with few minor problems for which corrective actions taken by the contractor were highly effective.
V	VERY GOOD – Performance meets contractual requirements and exceeds some requirements to the Government's benefit. The contractual performance being assessed was accomplished with some minor problems for which corrective actions taken by the contractor were effective.
S	SATISFACTORY – Performance meets contractual requirements. The contractual performance being assessed contains some minor problems for which corrective actions taken by the contractor appear or were satisfactory.
M	MARGINAL – Performance does not meet some contractual requirements. The contractual performance being assessed reflects a serious problem for which the contractor has not yet identified corrective actions or the contractor's proposed actions appear only marginally effective or were not fully implemented.
U	UNSATISFACTORY – Performance does not meet most contractual requirements, and recovery is not likely in a timely manner. The contractual performance being assessed contains serious problem(s) for which the contractor's corrective actions appear or were ineffective.
N/A	NOT APPLICABLE – Unable to provide a rating. Contract did not include performance for this aspect, performance was not observed, or information was not available. Do not know.

Note: The following are SAMPLE questions. Past Performance evaluation teams **MUST** construct a simple and concise Past Performance Questionnaire, tailored to seek out key information tied to the significant aspects of the planned acquisition. Avoid questions that can be answered with a "yes" or "no" but instead include probing and direct questions to draw out the required information desired.
