STATEMENT OF WORK

Project Title: Global Custodial Services

1.0 Purpose

A Blanket Purchase Agreement provides program-specific acquisition support services to the offices of the U.S. International Development Finance Corporation (DFC), which are needed to allow for the timely and efficient award of new or recompeted requirements, while avoiding any lapse of mission-essential support services.

2.0 Background

The U.S. International Development Finance Corporation is the U.S. Government's developing finance institution. DFC partners with the private sector to finance solutions to the most critical challenges facing the developing world today. DFC invests across sectors including but not limited to energy, healthcare, critical infrastructure, and technology. DFC investments adhere to high standards and respect the environment, human rights, and worker rights.

DFC makes America a stronger and more competitive leader on the global development stage, with greater ability to partner with allies on transformative projects and provide financially sound alternatives to state-directed initiatives that can leave developing countries worse off. DFC's investments focus on impactful global development, advancing U.S. foreign policy, and generating returns for American taxpayers.

3.0 Scope

DFC may acquire various securities in conjunction with its investment activities and is seeking a custodian to hold these securities as it cannot have an account with any financial market infrastructure (FMI) company.

DFC seeks to enter into an agreement with a custodian bank for support in the following:

1. Provide custodial services globally for a wide variety of securities including but not limited to: debt instruments, equity securities including stocks and warrants; such securities may be exchange traded, OTC, or private placement.
2. Hold assets and settle securities transactions on behalf of DFC.
3. Work with brokers and clearinghouses (or comparable intermediaries) to finalize transactions.
4. Receive, accept, and record all assets delivered to and from DFC's account.
5. Transfer funds to the U.S. Treasury.
6. Provide support for DFC's own financial reporting and all compliance with applicable tax and

regulatory regimes. Provide support for reporting for DFCs financial reporting and all compliance with applicable tax and regulatory regimes. Provide support for reporting for DFCs own financial reporting and in all compliance with applicable tax and regulatory regimes.

7. Provide system interfaces and support to efficiently enable services.

4.0 Type of Contract

The Government anticipates a Firm-Fixed Price (FFP) contract.

5.0 Period of Performance

The government intends to fulfill this requirement through one of the following procurement strategies: (1) a single award Blanket Purchase Agreement (BPA) with ordering period of 5 years; (2) or a standalone contract consisting of a 12 month base and four (4) twelve (12) month option periods. The final determination will be made prior to award and will be based on the strategy that best meets the Government needs.

Performance will begin the date after the award.

6.0 Place of Performance

Place of Performance will be the vendor's financial institution.

7.0 Government Information

DFC Government Furnished Information (GFI) will be provided on a per-order bases to aid in the development of the support activities outlined in Section 1.0 Purpose. 2. The contractor will furnish all information and reports, including providing access to books, records, and accounts, as required by the contracting agency pursuant to the Executive Order of March 26, 2026 (Addressing DEI Discrimination by Federal Contractors), for purposes of ascertaining compliance with this clause;

3. In the event of the contractor's or a subcontractor's noncompliance with this clause, this contract may be canceled, terminated, or suspended in whole or in part, and the contractor or subcontractor may be declared ineligible for further Government contracts;

4. The contractor will report any subcontractor's known or reasonably knowable conduct that may violate this clause to the contracting department or agency and take any appropriate remedial actions directed by the contracting department or agency;

6. The contractor recognizes that compliance with the requirements of this clause are material to the Government's payment decisions for purposes of section 3729(b)(4) of title 31, United States Code (False Claims Act)."

Sec. 4. Penalties. (a) The Director of the Office of Management and Budget shall issue guidance to contracting agencies to ensure compliance with this order. Consistent with any such guidance provided, contracting agencies shall:

- (i) cancel, terminate, suspend, or cause to be cancelled, terminated, or suspended, any contract or contract-like instrument, or any portion or portions thereof, for failure of the contractor or subcontractor to comply with the clause described in section 3 of this order; and

(b) The Director of the Office of Management and Budget, in coordination with the Attorney General, the Assistant to the President for Domestic Policy, and the Chairman of the Equal Employment Opportunity Commission, shall identify economic sectors that pose a particular risk of entities engaging in racially discriminatory DEI activities based on current or past conduct and issue additional guidance to contracting agencies regarding best practices to ensure compliance with this order within such sectors.

(c) Within 120 days of the date of this order, each agency head shall review the agency's implementation of section 3 of this order and report to the Assistant to the President for Domestic Policy regarding its compliance with that section. Thereafter, each agency head shall regularly review and take appropriate measures to ensure such compliance.

Sec. 5. Regulations and Implementation. (a) The Federal Acquisition Regulatory Council, to the extent permitted by law, shall amend the Federal Acquisition Regulation to:

the clause described in section 3 of this order; and

(ii) remove any provisions that conflict or are inconsistent with the clause described in section 3 of this order.

(b) The Federal Acquisition Regulatory Council shall, within 60 days of the date of this order, issue deviation and interim guidance under subpart 1.4 of the Federal Acquisition Regulation, as appropriate and consistent with applicable law, regarding agency implementation of the clause described in section 3 of this order before completion of the amendments under subsection (a) of this section.

Sec. 6. Severability. If any provision of this order, or the application of any provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of its provisions to any other persons or circumstances shall not be affected thereby.

(a) North American Industry Classification System (NAICS) code and small business size standard. The NAICS code(s) and small business size standard(s) for this acquisition appear elsewhere in the solicitation. However, the small business size standard for a concern that submits an offer, other than on a construction or service acquisition, but proposes to furnish an end item that it did not itself manufacture, process, or produce is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition-

- (1) Is set aside for small business and has a value above the simplified acquisition threshold;
- (2) Uses the HUBZone price evaluation preference regardless of dollar value, unless the offeror waives the price evaluation preference; or
- (3) Is an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(b) Submission of offers. Submit signed and dated offers to the office specified in this solicitation at or before the exact time specified in this solicitation. Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show-

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

- (5) Terms of any express warranty;
- (6) Price and any discount terms;
- (7) "Remit to" address, if different than mailing address;
- (8) A completed copy of the representations and certifications at Federal Acquisition Regulation (FAR) 52.212-3 (see FAR 52.212-3(b) for those representations and certifications that the offeror shall complete electronically);
- (9) Acknowledgment of Solicitation Amendments;
- (10) Past performance information, when included as an evaluation factor, to include recent and relevant contracts for the same or similar items and other references (including contract numbers, points of contact with telephone numbers and other relevant information); and
- (11) If the offer is not submitted on the SF 1449, include a statement specifying the extent of agreement with all terms, conditions, and provisions included in the solicitation. Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) *Product samples.* When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions, including alternative line items (provided that the alternative line items are consistent with FAR subpart 4.10), or alternative commercial products or commercial services for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) *Late submissions, modifications, revisions, and withdrawals of offers.* (1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and-

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of

entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(B) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of offers and was under the Government's control prior to the time set for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards*. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

(i) *Availability of requirements documents cited in the solicitation.* (1)(i) The GSA Index of Federal Specifications, Standards and Commercial Item Descriptions, FPMR Part 101-29, and copies of Federal specifications, standards, and product descriptions can be downloaded from the ASSIST website at <https://assist.dla.mil>.

(ii) If the General Services Administration, Department of Agriculture, or Department of Veterans Affairs issued this solicitation, a copy of specifications, standards, and commercial item descriptions cited in this solicitation may be obtained from the address in paragraph (i)(1)(i) of this provision.

(2) Most unclassified Defense specifications and standards may be downloaded from the ASSIST website at <https://assist.dla.mil>.

(3) Defense documents not available from the ASSIST website may be requested from the Defense Standardization Program Office by-

(i) Using the ASSIST feedback module (<https://assist.dla.mil/feedback>); or

(ii) Contacting the Defense Standardization Program Office by telephone at 571-767-6688 or email at assisthelp@dlamail.mil.

(4) Nongovernment (voluntary) standards must be obtained from the organization responsible for their preparation, publication, or maintenance.

(j) *Unique entity identifier.* (Applies to all offers that exceed the micro-purchase threshold, and offers at or below the micro-purchase threshold if the solicitation requires the Contractor to be registered in the System for Award Management (SAM).) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "Unique Entity Identifier" followed by the unique entity identifier that identifies the Offeror's name and address. The Offeror also shall enter its Electronic Funds Transfer (EFT) indicator, if applicable. The EFT indicator is a four-character suffix to the unique entity identifier. The suffix is assigned at the discretion of the Offeror to establish additional SAM records for identifying alternative EFT accounts (see FAR subpart 32.11) for the same entity. If the Offeror does not have a unique entity identifier, it should contact the entity designated at www.sam.gov for unique entity identifier establishment directly to obtain one. The Offeror should indicate that it is an offeror for a Government contract when contacting the entity designated at www.sam.gov for establishing the unique entity identifier.

(k) [Reserved]

(l) *Debriefing.* If a post-award debriefing is given to requesting offerors, the Government shall disclose the following information, if applicable:

(1) The agency's evaluation of the significant weak or deficient factors in the debriefed offeror's offer.

(2) The overall evaluated cost or price and technical rating of the successful and the debriefed offeror and past performance information on the debriefed offeror.

(3) The overall ranking of all offerors, when any ranking was developed by the agency during source selection.

(4) A summary of the rationale for award;

(5) For acquisitions of commercial products, the make and model of the product to be delivered by the successful offeror.

(6) Reasonable responses to relevant questions posed by the debriefed offeror as to whether source-selection procedures set forth in the solicitation, applicable regulations, and other applicable authorities were followed by the agency.

(End of provision)

52.212-2 EVALUATION - COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES. (NOV 2021)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

- 1) Ability to demonstrate capabilities that meet the technical requirements.
- 2) Responses to questions listed in Section 11.1 Proposal Requirements.
- 3) Price

(Contracting Officer shall insert the significant evaluation factors, such as (i) technical capability of the item offered to meet the Government requirement; (ii) price; (iii) past performance (see FAR 15.304); and include them in the relative order of importance of the evaluation factors, such as in descending order of importance.)

Technical and past performance, when combined, are approximately equal to cost or price. (Contracting Officer state, in accordance with FAR 15.304, the relative importance of all other evaluation factors, when combined, when compared to price.)

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. (ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
