Amendment to a Previous Combined Solicitation

AMENDMENT 0001

CONTINUATION OF CHANGES

Please confirm whether the required replacement cooling chassis must include electric heat capability. The current model number provided appears to reference a unit with a hot water coil configuration and no electric heat. Please verify the required model number and compatibility requirements prior to ordering.

The Government confirms the required replacement unit is:

Islandaire Model EZ15A7KFA1K14AB

The existing wall-mounted HVAC units currently utilize a hot water coil heating configuration and fan motor assembly. No additional electric heat strip or supplemental heating component is required.

The replacement chassis must remain compatible with the existing wall sleeve assemblies and existing HVAC operational configuration currently installed at the WJB Dorn VA Medical Center.

Updated Salient Characteristics: See attachment

Amendment to a Previous Combined Solicitation

Salient Characteristics
