This solicitation is issued pursuant to Emergency Acquisition Flexibilities (EAF).

A. Electronic submission of any quotes, representations, and any necessary certifications shall be accomplished via an email directed to DARIAN.M.HOLLEY.CIV@US.NAVY.MIL.

B. General Requirements: MIL-STD Packaging, Government Source Inspection, FOB Source.

C. This RFQ is for REPAIR. The resultant award of this solicitation will be issued bilaterally, requiring the contractor's written acceptance prior to execution. Verify nomenclature, part number, and NSN prior to responding.

D. Only a firm-fixed (FFP), not-to-exceed (NTE), or estimated (EST) price for the REPAIR of the subject item (s) will be accepted. Quotes limited to test and evaluation (T&E) will NOT be accepted. The quoted price MUST be for the REPAIR of the item(s).

E. Must adhere to IUID requirements of DFARS 252.211-7003.

F. The ultimate awardee of the proposed contract action must be an authorized repair source. Award of the proposed contract action will not be delayed while an unauthorized source seeks to obtain authorization.

Induction Expiration Date: 365 days after contract award date. Any asset received after this date in days is not authorized for repair without bi-lateral agreement between the Contractor and NAVSUP WSS Contracting Officer.

G. IMPORTANT NOTE:

Reconciliation Price Reduction:

Any asset(s) for which the contractor does not meet the required RTAT will incur a price reduction per unit/per month the contractor is late. However, any delay determined to be excusable (e.g. Government Delay) will not result in a price reduction. If the contractor does not meet the required RTAT due to inexcusable contractor delay, the Contracting Officer will implement the aforementioned price reduction via a "Reconciliation Modification" at the end of the contract performance. Price reductions made pursuant to this section shall not limit other remedies available to the Government for failure to meet required RTATs, including but not limited to the Government's right to terminate for default.

In reference to the above important note, the contractor provides the following price reduction amount per unit /per month the contractor does not meet the RTAT: \$_____, up to a maximum of: \$_____. (vendor is to fill in amount)

H. Your quote MUST include the following information for justification purposes:

- The T&E fee (if asset is determined BR/BER) was determined based on:

- Award to CAGE: _____

- Inspection & Acceptance CAGE, if not the same as Award to CAGE: _____

- Facility/Subcontractor CAGE (where the asset should be shipped to), if not same as Award to CAGE.

- _____
- Facility/Subcontractor or Packaging Facility CAGE (where the asset will be shipped from), if not the same as Award to CAGE. _____

IMPORTANT NOTE: Any asset for which the contractor does not meet the required RTAT will incur a price reduction per unit/per month the contractor is late - any delay determined to be excusable (e.g. Government Delay) will not result in a price reduction. If a price reduction is required due to inexcusable contractor delay, the Contracting Officer will implement the aforementioned price reduction via a "reconciliation modification" at the end of the contract performance. Price reductions made pursuant to this section shall not limit other remedies available to the Government for failure to meet required RTATs, including but not limited to the Government's right to terminate for default.

(a) *Definitions.* As used in this clause-

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, Option to Extend Services, or other appropriate authority.

Small business concern-

(1) Means a concern, including its affiliates, that is independently owned and operated, not dominant in its field of operation, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (d) of this clause.

(2) *Affiliates*, as used in this definition, means business concerns, one of whom directly or indirectly controls or has the power to control the others, or a third party or parties control or have the power to control the others. In determining whether affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationships. SBA determines affiliation based on the factors set forth at 13 CFR 121.103.

(b) If the Contractor represented that it was any of the small business concerns identified in 19.000(a)(3) prior to award of this contract, the Contractor shall rerepresent its size and socioeconomic status according to paragraph (f) of this clause or, if applicable, paragraph (h) of this clause, upon occurrence of any of the following:

(2) Within 30 days after a merger or acquisition that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts-

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.

(c) If the Contractor represented its status as any of the small business concerns identified at 19.000(a)(3) prior to award of this contract, the Contractor shall rerepresent its size and socioeconomic status according to paragraph (f) of this clause or, if applicable, paragraph (h) of this clause, for the NAICS code assigned to an order (except that paragraphs (c)(1) through (3) of this clause do not apply to an order issued under a Federal Supply Schedule contract at subpart 8.4)-

(1) Set aside exclusively for a small business concern identified at 19.000(a)(3) that is issued under an unrestricted multiple-award contract, unless the order is issued under the reserved portion of an unrestricted multiple-award contract (e.g., an order set aside for a woman-owned small business under a multiple-award contract that is not set-aside, unless the order is issued under the reserved portion of the multiple-award contract);

(2) Issued under a multiple-award contract set aside for small businesses that is further set aside for a specific socioeconomic category that differs from the underlying multiple-award contract (e.g., an order set aside for a HUBZone small business concern under a multiple-award contract that is set aside for small businesses);

(3) Issued under the part of the multiple-award contract that is set aside for small businesses that is further set aside for a specific socioeconomic category that differs from the underlying set-aside part of the multiple-award contract (e.g., an order set aside for a WOSB concern under the part of the multiple-award contract that is partially set aside for small businesses); and

(4) When the Contracting Officer explicitly requires it for an order issued under a multiple-award contract, including for an order issued under a Federal Supply Schedule contract (see 8.405-5(b) and 19.301-2(b)(2)).

(d) The Contractor shall rerepresent its size status in accordance with the size standard in effect at the time of this rerepresentation that corresponds to the North American Industry Classification System (NAICS) code(s) assigned to this contract. The small business size standard corresponding to this NAICS code(s) can be found at <https://www.sba.gov/document/support--table-size-standards>.

(e) The small business size standard for a Contractor providing an end item that it does not manufacture, process, or produce itself, for a contract other than a construction or service contract, is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition-

(3) Was an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.
