

SCOPE OF WORK

Region: BIA Western Regional Office, Phoenix, AZ

Agency: Eastern Nevada Agency, Facilities Department, Owyhee, Nevada

Project Overview:

The BIA Facilities Department is requesting services from a licensed contractor to provide labor and standard installation materials to install a fire-rated suspended acoustic ceiling system in three (3) small interior commercial rooms within the Duck Valley Juvenile Detention Center located at 488 Transfer Road in Owyhee, Nevada, Elko County. The BIA Facilities Department duty station is located at 1324 Justice Road, Owyhee, Nevada 89832.

Scope of Work and Objective:

The scope of work will include layout, installation of ceiling grid system, coordination with other trades, and final placement of ceiling tile after all the work is completed. The area of work is approximately 416 square feet in the commercial building. The scope of work includes the following:

- Wall angle/perimeter trim, main and cross tees and hanger wires
- Exact seismic bracing where required by fire and building codes
- Layout and leveling of ceiling grid to maintain consistent ceiling height across all rooms
- Coordinate with maintenance worker for light fixtures, HVAC diffusers, vents, exhaust fans, and fire sprinkler heads
- Final installation of fire-rated ceiling tiles after all above-ceiling mechanical, electrical, and fire-related components are installed and approved
- Clean-up of installation debris related to ceiling work

Coordination of Trade and Sequencing:

Electrical, HVAC, fire sprinklers, and low voltage work must be performed by Earl Steele, BIA maintenance worker. The contractor will:

- Install ceiling grid system
- Leave ceiling open for the BIA Maintenance worker to install lighting, vents, and related components.
