DESCRIPTION

Description

This is a combined synopsis/solicitation for commercial products and commercial services prepared in accordance with the format in Federal Acquisition Regulation (FAR) subpart 12.6, "Streamlined Procedures for Evaluation and Solicitation for Commercial Products and Commercial Services," as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested, and a written solicitation document will not be issued.

This solicitation is issued as an RFQ. The solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 2024-02, effective 12/22/2023.

This solicitation is a 100% Total Set-Aside Solicitation for Service-Disabled Veteran Owned Small Businesses (SDVOSBs).

The associated North American Industrial Classification System (NAICS) code for this procurement is 238220 with a small business size standard of \$19.0 Million.

The FSC/PSC is J041.

The award will be made to the quote most advantageous to the Government and best meets the requirement described in the statement of work.

Price and Other Factors: See Attachment 2, FAR 52.212-2 "Evaluation"

All Solicitation inquiries are due on May 11, 2026, and all proposal responses are due on May 25, 2026, by email to Contracting Officer Daniel Kneizeh, daniel.kneizeh@va.gov. Please reference the details below for further information.

STATEMENT OF WORK

1. **CONTRACT TITLE:** Preventative Maintenance, Inspection, and Repair Services (PMI&R) for Government-Owned Fume Hood/Safety Cabinets.
2. **BACKGROUND:** The Long Beach Veterans Affairs Healthcare System (LBVAHCS) requires PMI&R Services for Government-owned fume hood systems throughout the facility. Additional testing and certifications will also be required for these systems.
3. **SCOPE OF WORK:** The Contractor shall provide all parts, labor, transportation, equipment, supervision, and certified personnel to perform on-site bi-annual and monthly inspections and certifications of Government-owned fume hoods, ventilation devices, biological safety cabinets (BSC), Laminar Flow Devices, isolators, biosafety hazard hoods, sterile workbenches, radiation safety hoods, buffer, ante spaces, and pharmacy clean rooms. Testing/Certification will be done at the manufacturer's recommended frequency in accordance with the VA Long Beach's maintenance schedule. Travel expenses for certification inspection(s) will be provided by the Contractor. The Contractor shall be responsible for removing or disposing of Hazmat under the

(d) Comptroller General Examination of Record. The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, as defined in FAR 2.101, on the date of award of this contract, and does not contain the clause at 52.215-2, Audit and Records—Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR Subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1) in a subcontract for commercial products or commercial services. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause—
