Basis for Award

Award will be made to the quoter whose quotation **offers the best value to the government, considering technical approach, past performance, management plan, and price.**

The government will evaluate information based on the following evaluation criteria:

Technical Approach: The Government will review each offeror's plan for laundering and handling clinic garments to ensure it meets all requirements in the Statement of Work. This includes following industry standards and regulations such as OSHA Bloodborne Pathogens Standards and COMDTINST M6000.1F. The evaluation will look at how the offeror will prevent cross-contamination, keep garments in good condition, and ensure quality through inspections and inventory checks. The Government will also consider how the offeror will handle pick-ups and deliveries.

Past Performance: The Government will consider the offeror's experience with similar contracts, especially those involving medical garment laundering. Offerors must provide references and information about previous contracts, including what work was done, who the customer was, and how well the work was performed. The Government may contact these references or use other sources to check the offeror's history.

Management Plan: The Government will look at how the offeror plans to manage the contract to ensure services are delivered consistently and without interruption. This includes how the offeror organizes its team, handles staffing, and communicates with Government representatives about any issues or changes.

Price: Price will be reviewed to make sure it is fair and reasonable compared to the offeror's plan and the value provided to the Government. While price is important, the Government may choose a proposal that is not the lowest price if it offers better technical quality or past performance.

A quote must comply in all aspects with the requirements and conditions set forth in this RFQ; a quote must meet or exceed all mandatory RFQ requirements. If an Offeror takes exception to any of the terms and conditions of the RFQ or fails to meet any of the requirements of the RFQ, then the Government may consider the quote unacceptable

A Firm-Fixed Price contract will be awarded to the responsible offeror whose offer fully conforms to this solicitation and is determined to be the most advantageous, considering price and other factors. **The Government intends to evaluate offers and award a contract without discussions with Offerors.**

Therefore, the Offeror's initial offer should contain the Offeror's best terms. However, the Government reserves the right to conduct discussions, if necessary. The Government may reject any or all offers if such action is in the public interest, except other than the lowest offer, and waive informalities and minor irregularities in offers received.

The anticipated award date is 10 days after solicitation closing date. Only one purchase order is anticipated resulting from this RFQ, however the Government reserves the right to withdraw, modify, or eliminate various aspects of the requirement determined to be too costly or impractical prior to award.

The full text of FAR provisions or clauses may be accessed electronically at [acquisition.gov](https://www.acquisition.gov).

Offerors must complete entity-level representations and certifications online in the System for Award Management (SAM) in accordance with FAR 52.204-7, System for Award Management –Registration.

All quoters **must submit** the following:

VOLUME 1 Section A Price

Pricing shall be submitted as requested for the listed Supplies/Services. Total price will be evaluated by the Government. Proposed price should reflect a clear understanding of the requirements, is consistent with the various elements of the offer.

VOLUME 2 Section A Technical Approach

Offeror shall submit company's detailed technical approach and methodology for completing all requirements of the Statement of Work (SOW). The Technical Volume shall not exceed thirty (30) pages in length, with a minimum 12-point font. Page limitation includes any drawings, charts, pictures, etc., and excludes section dividers, table of contents, figures/tables, glossary of terms and cross-referencing indices and resumes -all of which are not considered content pages.

VOLUME 3 Section A Management Plan:

The contractor should provide a clear, practical plan that demonstrates their ability to manage the contract smoothly, keep staffing levels consistent, communicate effectively with the Government, and handle any issues or disruptions without impacting service.

VOLUME 4 Section A Past Performance Record

Offerors shall provide contract data for two (2) relevant contracts that the offeror is currently performing or has completed during the last five (5) years. The following information shall be included: Contractor Name and Contract Number; Customer points of contact (minimum of two; provide name, telephone number, fax number and e-mail addresses); Length of contract to include Period of Performance (dates); Initial Contract Price; Description of product/service provided (include sufficient detail to demonstrate similarities and dissimilarities to the requirements of this solicitation)

Submission of a quote that does not contain all items requested below may result in elimination from consideration of award. Offerors must submit each item of quote in a separate electronic attachment clearly identified as described below. Offerors are responsible for including sufficient details to permit a complete and accurate evaluation of each quote.

This is an open-market solicitation as defined herein. The government intends to award a purchase order as a result of this solicitation that will include the terms and conditions set forth herein. To facilitate the award process, all quotes must include a statement regarding the terms and conditions herein as follows:

"The terms and conditions in the solicitation are acceptable to be included in the award document without modification, deletion, or addition."

OR

"The terms and conditions in the solicitation are acceptable to be included in the award document with the exception, deletion, or addition of the following:"

Quoter must list exception(s) and rationale for the exception(s). Quotations that reject the terms and conditions of the solicitation may be excluded from consideration.

All quotes must be emailed to **John Caicedo** via email to **john.h.caicedo2@uscg.mil** and shall be received no later than **May 19, 2026 11:00am Eastern Time**. Late submissions will be treated in accordance with the solicitation provision at FAR 52.212-1(c).

All emailed quotes must have Solicitation Number **65100PR260020049** in the subject of the email.

INVOICE INSTRUCTIONS

You will submit proper invoices associated with this award through the Invoice Processing Platform (IPP) at <https://www.ipp.gov/>. IPP is a secure web-based electronic invoicing system provided by the U.S. Department of the Treasury's Bureau of the Fiscal Service in partnership with the Federal Reserve Bank of St. Louis (FRSTL). IPP is available at no cost to any commercial vendor or independent contractor doing business with a participating government agency.

Actions to take:

If you are already enrolled in IPP:

If your company is already registered to use IPP, you will not be required to re-register and you do not need to contact IPP.

If you are **NOT already enrolled in IPP:**

The point of contact you provided in your SAM.gov registration will receive two emails from ipp.noreply@mail.eroctwai.gov. Please note that emails from this email address may filter into your spam or junk folder:

1. The first email will have the IPP Logon ID and a link to the IPP application.
2. A second email, which will be sent within 24 hours of the first email, contains a temporary password.

Once your contact receives these emails, please ensure they log into IPP and complete the registration process.

Once registered to use IPP, your company may submit invoices electronically, receive e-mail notifications when requests are paid, view payment history, and access remittance downloads. The e-mail notification of payment is sent when a payment is distributed to your bank account and may include the following payment information: Date of payment, dollar amount, invoice number, paying agency, payee name, and ACH trace number.

Vendor training materials, including a first-time login tutorial, are available on the <https://www.ipp.gov/> website. Once you have logged in to the IPP application, you will have access to user guides that provide step-by-step instructions for all IPP capabilities, ranging from creating and submitting an invoice to setting up email notifications. Live webinars are held monthly and provide a great opportunity to learn the basic of the system and to call in and ask the IPP team questions about the IPP application.

IPP Customer Support is available to assist users of the system and can answer your questions related to accessing IPP or completing the registration process.

- Toll-free number: 866-973-3131
- Email address: IPPCustomerSupport@fiscal.treasury.gov
- Hours of operation: Monday through Friday (excluding bank holidays) from 8:00 am - 6:00 pm ET

The contractor must email a copy of the invoice and supporting documentation to the personnel listed below, upon submission into the IPP platform. Failure to email the invoice and supporting documentation to the following contacts may result in invoice rejection or delay in payment:

Contracting Officer's e-mail address: John.h.caicedo2@uscg.mil

Electronic Submission of Payment Requests (FSMS Awards) JUL 2024

(a) Definitions. As used in these instructions -

(1) "Payment request" means a bill, voucher, invoice, or request for contract financing payment with associated supporting documentation.
