

W9123826QA015 – Septic Pumping at Englebright Lake (EBL) Base + 4

The Government anticipates issuing a solicitation Request for Quotes (RFQ) with the intent of awarding a Firm-Fixed Price contract for Septic Pumping Services at Englebright Lake (EBL).

Project Description: The contractor shall provide all labor, equipment, and materials necessary to perform on-call sewage pumping services at multiple vault and holding tank locations at Englebright Lake. Services include the safe removal and off-site disposal of sewage.

This prospective contract action will be conducted using NAICS Code is 562991 Septic Tank and Related Services. The size standard is \$9.0 million. Product Service Code is S222 Housekeeping- Waste Treatment/Storage.

The solicitation will proceed as a 100% small business set-aside and is estimated to be issued on or about 12 May 2026 with quote due tentatively on 4 June 2026. In accordance with Revolutionary FAR Overhaul (RFO) 12.201-1(c)(2), the Government is soliciting directly from offerors. Interested parties may contact the government POC to request a copy of the solicitation.

If applicable, the site visit date, time and location will be identified in the solicitation.

BE ADVISED THAT THIS PROJECT MAY BE DELAYED, CANCELLED OR REVISED AT ANY TIME DURING THE PRE-SOLICITATION, SOLICITATION, SELECTION, EVALUATION, NEGOTIATION AND/OR FINAL AWARD PROCESS.

The only INTERESTED VENDORS LISTS (plan-holder's/bidder's list) is available via SAM.gov. Contractors are responsible for self-identifying as interested vendors and viewing other interested vendors. Contractors should check beta.sam.gov frequently for any changes to the interested vendors list and notice.
