PREAWARD SAFETY CONFERENCE

(a) Where an apparent awardee, in performance of contracts during the previous three year period incurred one or more accidents, or where, in the opinion of the Contracting Officer, there is any question regarding his compliance with any safety or accident prevention requirement, the apparent awardee, on request of the Contracting Officer prior to any award under this solicitation, shall attend a conference with representatives of the Contracting Officer to discuss any such accidents or non-compliance, the reasons for their occurrence, and measures which will be taken to preclude any recurrence thereof.

(b) Information elicited at this conference will be used by the Contracting Officer, in conjunction with other information obtained in the pre award survey, in determining the awardees' responsibility.

(c) The items discussed, the preventive measures considered, and any conclusions reached in this conference shall be recorded in minutes of the meeting, which shall be authenticated by the signatures of representatives of the awardee and the Contracting Officer, and any procedures noted therein as agreed upon shall become an obligation of the awardee, along with all other safety and accident prevention requirements of the contract, if award is made to him.

SAFETY REQUIREMENTS

The Contractor is advised that he shall be expected to comply with the OSHA Standards as well as the most recent Corps of Engineers Safety and Health Requirements Manual (EM 385-1-1). EM 385-1-1 with applicable addenda and the OSHA Standards are hereby incorporated by reference, as if fully set forth.

ARITHMETIC DISCREPANCIES

(a) For the purpose of initial evaluation of proposals, the following will be utilized in resolving arithmetic discrepancies found on the face of the pricing schedule as submitted by the offeror:

- 1) Obviously misplaced decimal points will be corrected;
- 2) Discrepancy between unit price and extended price, the unit price will govern;
- 3) Apparent errors in extension of unit prices will be corrected;
- 4) Apparent errors in addition of lump-sum and extended prices will be corrected.

(b) For the purpose of bid evaluation, the Government will proceed on the assumption that the offeror intends its bid to be evaluated on the basis of the unit prices, the totals arrived at by resolution of arithmetic discrepancies as provided above, and the bid will be so reflected on the abstract of bids.

(c) These correction procedures shall not be used to resolve any ambiguity concerning which proposal is low.

CAUTION TO OFFERORS--BID ERRORS

You are cautioned to exercise extreme care in preparation of your bid. Errors in bids are costly and could result in substantial loss to you as well as delayed award of contracts. Actions you can take to avoid errors are:

(a) Make sure your bid takes into consideration all amendments to the IFB. Amendments will be posted to <https://sam.gov/>.

(b) If you feel requirements are unclear, contact the Philadelphia District Office in writing for an explanation before preparing and submitting your proposal.

(c) Verify all quantities and prices, especially quotations from subcontractors. Make sure no line items have been overlooked in recapitulating. Have your bid reviewed by qualified personnel other than those preparing the bid.

(d) Retain all original notes, subcontractor quotations, estimates, and summary worksheets from which your bid was prepared. If you have made a mistake in the proposal, you will need these papers to determine the nature and amount of an error and to support any request you may make for special relief.

AWARD TO SINGLE OFFEROR

No separate award will be made for any item contained in the Pricing Schedule in Section SF 1442. Offerors must submit a bid on all items contained in the Bid Schedule in Section SF 1442, or the Bid will be considered non-responsive and therefore rejected.

CONTRACTING OFFICER STATEMENT

Only a warranted Contracting Officer, acting within their delegated limits, has the authority to issue modifications or otherwise change the terms and conditions of this contract. If an individual other than the Contracting Officer attempts to make changes to the terms and conditions of this contract you shall not proceed with the change and shall immediately notify the Contracting Officer.
