SUBMISSION OF BIDS

Bidders shall submit their bids no later than the time and date specified in Block 13 of the SF 1442 of this solicitation or the latest amendment (if applicable) as follows:

The Bidder's bid shall be submitted electronically via Procurement Integrated Enterprise Environment (PIEE), as described below.

The Bidder's bid shall not contain classified data. The use of hyperlinks in bids is prohibited.

NOTE: The only authorized transmission method to this solicitation is electronically via PIEE Solicitation Module online submission. NO OTHER TRANSMISSION METHODS (EMAIL, FACSIMILIE, REGULAR MAIL, HANDCARRIED, ETC.,) WILL BE ACCEPTED UNLESS APPROVED BY THE CONTRACTING OFFICER

INSTRUCTIONS FOR SUBMITTING ELECTRONIC BIDS

In an effort to reduce paperwork and cost, all bids shall be submitted electronically via the Solicitation Module of Procurement Integrated Enterprise Environment (PIEE) suite, as described below. Submissions shall be in Adobe PDF format. Electronic Bid Submissions are required through the Army's Electronic File Sharing Service in PIEE (<https://piee.eb.mil/>). The PIEE Application is used to send large files to individuals that would normally be too large to send via email. Information regarding how to set up a vendor registration is included in this link: <https://pieetraining.eb.mil/wbt/xhtml/wbt/portal/overview/vendorRegister.xhtml>. On this page, click on the "Vendor User Registration" Doc and it will take you through the process of registering as a vendor. If you plan on submitting a proposal, be sure to select "SOL-Solicitation" in the drop-down list and choose the "Proposal Manager" role to be given the proper permissions.

Further training is available at the following links:

<https://pieetraining.eb.mil/wbt/xhtml/wbt/sol/index.xhtml> - This link shows information regarding the Solicitation application in PIEE and the different roles available.

<https://pieetraining.eb.mil/wbt/xhtml/wbt/sol/solicitation/proposals.xhtml> - This link is for Bidders regarding the Proposal Manager function and instruction on submitting a Proposal.

a. File Size Limitations: Bidders are advised to follow the PIEE instructions for uploading files. PIEE supports delivery of up to 1.9GB per file, with no limit on the number of files, as well as multiple file formats. If needed, Bidders are advised to break the files down into smaller sections in order to upload them into the system. In such cases, please divide the sections as logically as possible and be sure to clearly name the files as specified below.

b. File Description: To ensure your submission is received and processed appropriately, it is important that interested parties CAREFULLY ensure their electronic files adhere to the following naming convention. Each file name shall begin with the firm's name, and a brief file description. NOTE: Do NOT enter Privacy Act Data (Personal Identification Information (PII)) in the file description. Submission shall be in Adobe PDF format.

c. Upload Completion & Deadline: Interested parties shall submit responses no later than the date specified on the Solicitation document. The time and date of bid receipt will be the upload completion/delivery time and date recorded within the PIEE site. Do not assume that electronic submission will occur instantaneously. Large files (e.g. 10MB or more) will take some time to upload. Bidders should time their upload effort with prudence by not waiting until the last few minutes--this will allow for unexpected delays in the transmittal process. Bidders are encouraged to keep a copy of the upload confirmation for their record. Submissions after the deadline will be considered late and will be processed in accordance with FAR 14.304.

d. Electronic Files: Files shall be in their native format (i.e. doc, xlsx, ppt, etc.), or if in pdf format, shall be in searchable text. Text and graphics portfolios of the electronic copies shall be a format readable by Microsoft Office or Adobe applications. Data submitted in a spreadsheet format shall be readable by MS Excel (all cells and formulas should be unlocked).

RECEIPT OF SUBMISSIONS: For the purpose of establishing whether a bid submission is considered timely, the Government will consider the date and time the submission is completely uploaded into the PIEE Website. Do not assume that electronic communication is instantaneous. It can take several minutes or even hours in some cases. The Government will not be responsible for submissions delivered to any location other than those designated to receive bids. Bidders are responsible for ensuring that bids are submitted so as to reach the designated recipient. Bidders are responsible for allowing sufficient time for the bid to be received in accordance with the instructions provided. It is the Bidder's responsibility to obtain written confirmation of receipt of all electronic files of the full bid by the Contracting office. In the event that the Solicitation Module is down, the alternate method for bid submission is via email to: dll-cenap-ct-c@usace.army.mil ONLY. The Bidder must obtain prior approval from the Contracting Officer, Brandon Mormello (brandon.r.mormello@usace.army.mil), to use the alternate submission method.

BONDS AND INSURANCE

BID GUARANTEE. All Bidders shall furnish a bid guarantee. In accordance with FAR 52.228-1, Bid Guarantee, the Bidder shall furnish a bid guarantee in the form of a firm commitment, e.g., bid bond (use Standard Form 24) supported by good and sufficient surety or sureties acceptable to the Government, postal money order, certified check, cashier's check, irrevocable letter of credit, or, under Treasury Department regulations, certain bonds or notes of the United States. The bid guarantee amount shall be at least 20 percent of the bid price but shall not exceed \$3,000,000.00. If using a Bid Bond, it must be submitted on SF 24. Bonds shall be received on a SF 25 within ten (10) calendar days after receipt of contract award. The SF 25 can be found at the GSA Forms Library at <https://www.gsa.gov/forms>.

Bonds shall be received on a SF 25A within ten (10) calendar days after receipt of contract award. The SF 25A can be found at the GSA Forms Library at <https://www.gsa.gov/forms>.

SYSTEM FOR AWARD MANAGEMENT

In accordance with FAR 52.204-7, System for Award Management, registration is required in the System for Award Management (SAM) database located at www.sam.gov. More specifically, "An Offeror is required to be registered in SAM when submitting an offer or quotation and shall continue to be registered until time of award, during performance, and through final payment of any contract, basic agreement, basic ordering agreement, or blanket purchasing agreement resulting from this solicitation." (See FAR 52.204-7(b)(1)).

For SAM Customer Service, contact: Federal Service Desk, URL: www.fsd.gov, Hours: 8am - 8pm (Eastern Time), U.S. Calls: 866-606-8220 International Calls: 334-206-7828, DSN: 866-606-8220

IMPORTANT NOTICE: Effective June 29, 2018, vendors creating or updating their registration can have their registration activated prior to the approval of the required notarized letter. However, the signed copy of the notarized letter must be sent to the GSA Federal Service Desk (FSD) within 30 calendar days of activation, or the vendor risks no longer being active in SAM. Vendors can check whether an account is active by performing a query by their CAGE or Unique Entity Identifier (transitioned from DUNS Number). The registration process may now take several weeks, so vendors are highly encouraged to begin registering as soon as possible to avoid any possible delays in future contract awards. Remember, there is no cost to use SAM. To find out additional information about the changes of the SAM registration process, contractors should visit the Frequently Asked Questions (FAQ) link located at the top of the SAM homepage (www.sam.gov).

CAUTION TO OFFERORS--BID ERRORS

You are cautioned to exercise extreme care in preparation of your bid. Errors in bids are costly and could result in substantial loss to you as well as delayed award of contracts. Actions you can take to avoid errors are:

- (a) Make sure your bid takes into consideration all amendments to the IFB. Amendments will be posted to <https://sam.gov/>.
- (b) If you feel requirements are unclear, contact the Philadelphia District Office in writing for an explanation before preparing and submitting your proposal.
- (c) Verify all quantities and prices, especially quotations from subcontractors. Make sure no line items have been overlooked in recapitulating. Have your bid reviewed by qualified personnel other than those preparing the bid.
- (d) Retain all original notes, subcontractor quotations, estimates, and summary worksheets from which your bid was prepared. If you have made a mistake in the proposal, you will need these papers to determine the nature and amount of an error and to support any request you may make for special relief.

AWARD TO SINGLE OFFEROR
