

Price Schedule - Solicitation Number 140P1226Q0028

Price quotes should reflect the add-on amount per gallon. The quote shall be in currency format (\$0.00) to the nearest cent. Amount will be added to the local rack price for the Denver, CO location for the price effective date, rounded to the nearest cent. Your quote must include pricing for the base and all option periods for each item quoted.
