

Defense Health Agency

Defense Travel System (DTS) and Centrally Billed Account (CBA) Reconciliation Support

The Defense Health Agency Contracting Activity (DHACA), Professional services Contracting, Falls Church, VA is conducting market research and identifying potential Contractors that may possess the expertise, capabilities, and experience to meet the requirements of the Defense Health Agency (DHA) need.

The Government has a requirement for a non-personal services contract to provide the Defense Health Agency (DHA) Financial Operations Division (FOD) with Defense Travel System (DTS) and Centrally Billed Account (CBA) support for the reconciliation of monthly invoices. The purpose of the FOD is to perform operational functions to ensure that the DHA/DTS/CBA Reconciliation Module monthly invoices are paid according to the Prompt Payment Act (PPA). FOD responsibilities include the overall supervision of the DHA/DTS/CBA processing for all military and civilian travel transactions and mission related charges. FOD is accountable for all submissions and responses pertaining to budget execution, corrective actions, and the review and/or influence of the procedures that address known deficiencies or support process improvements where a financial impact may exist.

The Acquisition Plan for this effort has NOT been finalized, and this is NOT a request for proposal. In accordance with Federal Acquisition Regulation (FAR) 15.201, response to this notice are NOT offers and cannot be accepted by the Government to form a binding contract. Contractors responding to this request are advised that participation does NOT ensure opportunities for future solicitations or contract awards. The Government will NOT reimburse any Contractor or individual for any expenses associated with preparation or participation in the request for information.

The anticipated period of performance (PoP) is for (1) 12-month base period, and four (4) 12-month option periods. The requirements described in the attached DRAFT Performance Work Statement (PWS) describe the task and capabilities required to provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervisor and other items and non-personal services necessary to perform the requirement as defined this DRAFT PWS except for those items specified as Government furnished property and services. The Contractor shall perform to the standards in this DRAFT PWS.

The North American Industrial Classification (NAICS) code for this acquisition is 518210.

All responsible potential offerors to the Government, whether the firm is a current holder, potential holder, or previous holder of a Government prime – contract or sub-contract are encouraged to review the DRAFT PWS in its entirety to ensure a clear understanding.
