## Evaluation Factors for Award

## Additional Regulation or Supplemental Clauses Incorporated by Full Text

The following Clause modifications were made:

52.212-2 Evaluation-Commercial Products and Commercial Services. (Deviation 2026-O0038) Jan 2026 hereby reads as follows:

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation 2026-O0038)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Technical, Past Performance, Price in accordance with RFO FAR 12.203

The Government will then evaluate the first three (3) lowest prices offers for technical acceptability and assign a technical rating of acceptable or unacceptable.

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)
