Additional Descriptive Data: Statement of Work USACE NEW Orleans District Branding Logos on Center Building Description of work: The United States Army Corp of Engineers (USACE) New Orleans District (MVN), the Federal Government has a requirement to produce three individual cut-out wraps at 80 inches high, by scaled ## inches wide for each of the three branding logos (US Army logo, US Army Engineers 250 Years logo, and USACE-MVN logo). Wrap prints will be single sided on PSA-3M IJ180CV3 (Wrap) stock material and laminated with LAM-Matte 3.0m x 54" (C) on face. Adobe Illustrator (.ai) file and PNG files as well as a placement photo image JPG file will be provided by USACE-MVN Federal Government to be installed onto the MVN center building exterior panels. Match colors to USACE Red C-0M-100Y-80K-0, USA Yellow C-0M-25Y-75K-0, Black K-100 as in Adobe Illustrator file provided.					

Location for Install:

MVN Center building, facing the street/railroad side out to the public. Affixed on the building panels between the 3rd and 2nd floor windows. Center placement is between the 12th and 13th building panels. See file labeled "Branding placement area on building.jpg" for the center logo only. All three logos shall have one panel separation (L/R) between the far-left logo and the far-right logo.

The Contractor to notify MVN if any specific power needs are required during solicitation period and after award.

Contractor shall use one of two options for Load Handling Equipment (LHE): a) Swing-stage or b) Scissor lift. Not an option: A crane-truck with a basket or bucket is not an installation option. Power lines run parallel to the USACE HQ building where the signs are required. The power lines restrict limit option to use a crane/bucket truck for installation. From the 900+ page manual, EM 385-1-1, chapter page 11-15 (EM page 248), the power line voltage that runs parallel to the USACE building is less than 200 kV, but more than 50kV. The minimum clearance distance is 15 feet. The risk of a boom arm coming within the clearance is not acceptable. Contractor shall include in the quote any specific requirements needed for such power methods.

From the ground to the bottom of the third floor windows, the distance is approximately 42 feet. From the ground to the top of the second floor windows, the distance is approximately 35 feet. Individual logo heights shall measure 2 inches below the third floor windows and 2 inches above the second floor windows. The width of each logo should align with the scaling provided in the pictures.

See Engineering Manual 385-1-1 as a reference. In chapter 16, there is a requirement that the contractor provide written documentation on Designation Letters and equipment certification for the LHE, 16.B.01 and 16.B.02. Proof of Qualification in writing and Documentation of Operator certification upon notice of award. The Contractor shall notify the Contracting Officer's Representative seven (7) calendar days in advance prior to the installation of the signs on the MVN center building.

Offerors or quoters are urged and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of contract performance, to the extent that the information is reasonably obtainable. In no event shall failure to inspect the site constitute grounds for a claim after contract award.

SPACE CLEANING REQUIRMENTS DURING PERFORMANCE: During performance of this contract, all work is being done must be thoroughly inspected before, during and after installation. The entire area must be cleared within reason and display any signage where needed during installation.

ON-PREMISES REQUIREMENTS: Contractor employees are required to adhere to all Corps' rules regarding working at our Facility. They must stop at the gate and identify themselves and tell the guard the specific location they will be working. A temporary badge maybe issued by the Security Officer if deemed necessary by the Security Office. Badges will be returned to Security at the end of each day.

SUPERVISION OF WORK: The Contractor shall provide all management, supervision, and labor to effectively fulfill the requirements of this contract. The Contractor will ensure that all contract work is satisfactorily supervised, either by their personal presence, by the on-site supervisor, or a combination of these alternatives. Neither USACE-MVN employees nor other Government employees are authorized to exercise either direct or indirect supervision over, or provide direction to, the Contractor's employees. Contractor should refer all to the assigned government representative. The

work does not require the supervision or direct engagement of government personnel other than for government personnel to provide quality assurance oversight of the work that is performed.

INSPECTION: The government shall inspect the contractors' work for contract compliance, during and after completion of work. The contractor shall not be paid for any work until an inspection has been performed by a Government inspector to assure work meets specifications contained in contract.

MATERIALS & SUPPLIES: The contractor is responsible for providing all equipment, materials, supplies and labor to complete this work.

SAFETY: The contractor shall coordinate all work and notify the government of any adverse impacts to the environment of the area under construction. Contractor shall protect our employees who may visit the area from being exposed to safety hazards. Contractor shall place protective barriers around the service area. Contractor is to notify MVN at least one week prior to start of work, so the area of work is blocked off ahead of arrival.

QUALITY AND WORKMENSHP: All work shall meet acceptable building standards for of our building and meet all Federal and State safety codes for this type of work.

INSPECTION AND ACCEPTANCE:

Government Representatives will inspect work for compliance to specifications.

U.S. Army Corps of Engineers, New Orleans District

7400 Leake Ave.

Orleans, LA 70118

INSPECTION OF WORK:

a. The Government has the right to inspect and test all work called for by this contract to the extent practicable at all times and places during the contract. The government shall perform inspections and tests in a manner that will not unduly delay the work.

b. If any of the work does not conform to contract requirements, the Government may require the Contractor to redo work at no increase in contract amount. When defects in workmanship cannot be corrected by re-performance, the Government may reduce the contract price to reflect the reduced value of work accomplished.

c. If the Contractor fails to promptly fulfill his contract responsibilities, the government may (1) by contract or otherwise, perform the work and charge to the Contractor for any cost incurred by the Government that is directly related to the performance of such work or (2) terminate the contract for default.

INSURANCE:

The Contractor shall procure, submit evidence of, and maintain throughout the entire period of performance under this contract, the following minimum level of insurance: Worker's Compensation and Employer's Liability Insurance. The Contractor shall

comply with all applicable worker's compensation statutes of the State of Louisiana and shall furnish evidence of the Employer's Liability Insurance in the amount of not less than \$100,000.

Security requirements:

Pre-screen candidates using E-Verify Program: The Contractor must pre-screen Candidates using the E-verify Program (<http://www.uscis.gov/e-verify>) website to meet the established employment eligibility requirements. The Vendor must ensure that the Candidate has two valid forms of Government issued identification prior to enrollment to ensure the correct information is entered into the E-verify system. An initial list of verified /eligible Candidates must be provided to the COR no later than 7 business days after the initial contract award. *When contracts are with individuals, the individuals will be required to complete a Form I-9, Employment Eligibility Verification, with the designated Government representative. This Form will be provided to the Contracting Officer and shall become part of the official contract file.

Expected Period of Performance: 45 days after given issuance of notice to proceed.

ANTITERRORISM/FORCE PROTECTION POLICY FOR DEFENSE CONTRACTORS OUTSIDE THE UNITED STATES (JUN 2015)

(a) Definition. " United States ," as used in this clause, means, the 50 States, the District of Columbia , and outlying areas.

(b) Except as provided in paragraph (c) of this clause, the Contractor and its subcontractors, if performing or traveling outside the United States under this contract, shall-

(1) Affiliate with the Overseas Security Advisory Council, if the Contractor or subcontractor is a U.S. entity;

(2) Ensure that Contractor and subcontractor personnel who are U.S. nationals and are in-country on a non-transitory basis, register with the U.S. Embassy, and that Contractor and subcontractor personnel who are third country nationals comply with any security related requirements of the Embassy of their nationality;

(3) Provide, to Contractor and subcontractor personnel, antiterrorism/force protection awareness information commensurate with that which the Department of Defense (DoD)

provides to its military and civilian personnel and their families, to the extent such information can be made available prior to travel outside the United States; and

(4) Obtain and comply with the most current antiterrorism/force protection guidance for Contractor and subcontractor personnel.

(c) The requirements of this clause do not apply to any subcontractor that is-

(1) A foreign government;

(2) A representative of a foreign government; or

(3) A foreign corporation wholly owned by a foreign government.

(d) Information and guidance pertaining to DoD antiterrorism/force protection can be obtained from N/A.(Contracting Officer to insert applicable information cited in PGI 225.372-1 (DFARS /PGI view)).

(End of clause)

252.232-7006	Wide Area WorkFlow Payment Instructions.	2023-01
--------------	---	---------

WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) Definitions. As used in this clause-

"Department of Defense Activity Address Code (DoDAAC)" is a six position code that uniquely identifies a unit, activity, or organization.

"Document type" means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

"Local processing office (LPO)" is the office responsible for payment certification when payment certification is done external to the entitlement system.

"Payment request" and "receiving report" are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) Electronic invoicing. The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) WAWF access. To access WAWF, the Contractor shall-

(1) Have a designated electronic business point of contact in the System for Award Management at <https://www.sam.gov>; and

(2) Be registered to use WAWF at <https://wawf.eb.mil/> following the step-by-step procedures for self-registration available at this web site.

(d) WAWF training. The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at <https://wawf.eb.mil/>

(e) WAWF methods of document submission. Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) WAWF payment instructions. The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) Document type. The Contractor shall submit payment requests using the following document type(s):

(i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.

(ii) For fixed price line items-

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

N/A.

(Contracting Officer: Insert applicable invoice and receiving report document type(s) for fixed price line items that require shipment of a deliverable.)

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

N/A

(Contracting Officer: Insert either "Invoice 2in1" or the applicable invoice and receiving report document type(s) for fixed price line items for services.)

(iii) For customary progress payments based on costs incurred, submit a progress payment request.

(iv) For performance based payments, submit a performance based payment request.

(v) For commercial financing, submit a commercial financing request.

(2)) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1 is included in the contract.

[Note: The Contractor may use a WAWF "combo" document type to create some combinations of invoice and receiving report in one step.]

(3) Document routing. The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) Definitions. "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) Prohibition. Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at <https://www.sam.gov> for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) Representation. If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense

Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it ☐ will ☐ will not provide covered defense telecommunications equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

52.229-11	Tax on Certain Foreign Procurements-Notice and Representation.	2020-06		

Tax on Certain Foreign Procurements-Notice and Representation (Jun 2020)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area of the United States.

United States person as defined in 26 U.S.C. 7701(a)(30) means

- (1) A citizen or resident of the United States;
 - (2) A domestic partnership;
 - (3) A domestic corporation;
 - (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and
 - (5) Any trust if-
 - (i) A court within the United States is able to exercise primary supervision over the administration of the trust; and
 - (ii) One or more United States persons have the authority to control all substantial decisions of the trust.
- (b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.
- (c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror may claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service (IRS) Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.
- (d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that
- (1) It ☐ is ☐ is not a foreign person; and
 - (2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror must select one] from the excise tax.
 - (e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the IRS as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

(End of provision)
