****Warning:** Vehicle rollaway can cause serious injury or death. This vehicle can roll whenever the gear selector is not in the park position. Always shift to park when stopping the engine or leaving the vehicle. When leaving the vehicle on an incline is unavoidable, use extra care. If leaving the vehicle unattended, block the rear wheels on the downhill side and keep children, pets, and others away form the gear selector. Notice: Vehicle payload and trailer weight will affect the angle of hill on which the vehicle will hold.
