

U.S. Embassy Kinshasa
February 18, 2026

Subject: Amendment P00001 to Solicitation number 19CG5026Q0001 Cellphone Service

Dear Prospective Quoter:

This letter serves to notify you of **Amendment P00001** to Request for Quotations (RFQ) Number 19CG5026Q0001 for Cellphone Service Contract.

This amendment makes modifications to the following areas of the solicitation:

1. **Cover Letter:**
 - Offer due date has been extended from February 17, 2026, at 17:00 to **March 6, 2026, at 17:00** (local time).
 - Questions deadline established: **February 25, 2026, at 17:00** (local time).
2. **Section 1 - Prices, Block 23**
 - Pricing Tables: Updated to reflect reduced service plans for base year and all options
3. **Section 1 - Value Added Tax (VAT) Clause:**
 - Corrected VAT percentage from 10% to 16% to reflect accurate local tax requirements.
4. **Section 1 - Performance Work Statement:**
 - Revised to incorporate changes made to the pricing tables, with new numbering structure.

Submission Requirements

Your quotation must be submitted electronically to kinshasabid@state.gov no later than March 6, 2026, at 17:00 (local time). Please ensure your submission includes:

1. Acknowledgment of Amendment P00001 (using one of the methods above)
2. Completed SF-1449
3. Updated pricing for all modified line items reflecting the new plan structure
4. Section 5 Representations and Certifications
5. All additional information as required in Section 3
6. Proof of SAM Registration
7. **CYBERSECURITY SUPPLY CHAIN RISK MANAGEMENT (CSCRM)** Questionnaire and/or State Department Secure Software Development Attestation Form

File Format Requirements:

Submissions must be in MS-Word 2007/2010, MS-Excel 2007/2010, or Adobe Acrobat (PDF) format. File size must not exceed 30MB per email. If files exceed 30MB, submit in separate emails with less than 30MB each.

Questions Deadline:

All questions regarding this solicitation must be submitted in writing to kinshasabid@state.gov no later than **February 25, 2026, at 17:00** (local time). Questions received after this deadline will not be answered.

Acknowledgment of Amendment:

Offerors must acknowledge receipt of Amendment P00001 using one of the following methods:

1. **On the SF-30 Form:** Complete Items 8 and 15 (Contractor/Offeror) of the enclosed SF-30 and return it with your quotation, OR
2. **Separate Written Statement:** Include a separate signed statement with your quotation acknowledging receipt of Amendment P00001, OR
3. **Reference in Cover Letter:** Reference Amendment P00001 in your quotation cover letter

Failure to acknowledge this amendment may result in rejection of your offer.

Important Dates:

- **Questions Deadline:** February 25, 2026, at 17:00 (local time)
- **Quotation Due Date:** March 6, 2026, at 17:00 (local time)

No Other Changes

Except for the changes specified on Standard Form 30 (SF-30) and described above, no other sections of the RFQ have been modified. **All other terms, conditions, specifications, and requirements remain unchanged.**

Sincerely,

Vernetta Wheeler
Contracting Officer
U.S. Embassy Kinshasa

Enclosures:

- Amendment P00001(SF-30)
- Revised Pricing Tables
- Revised Performance Work Statement

VALUE ADDED TAX (VAT)

VALUE ADDED TAX. Value Added Tax (VAT) is not included in the CLIN rates. Instead, it will be priced as a separate Line Item in the contract and on invoices. The amount of VAT to be charged is 16 %. Local law dictates the portion of the contract price that is subject to VAT; this percentage is multiplied only against that portion. It is included in each performance period. The

portions of the solicitation subject to VAT are: Pricing table. All postpaid services are subject to 10% excise tax.

SECTION 1 - PERFORMANCE WORK STATEMENT - MODIFICATIONS:

1. PERFORMANCE WORK STATEMENT

This solicitation is for mobile telephone service. The U.S. Embassy is using 550 lines for official purposes. The Contractor shall provide complete mobile telephone service for the U.S. Embassy of Kinshasa. Services provided shall include:

Smartphone Mobile Communication Plan
Mobile Phone Voice Service Plan
Mobile Device Data-Only Plans

Pre-paid SIM Cards (electronic-SIM and physical SIM)
Postpaid SIM Cards (electronic-SIM and physical SIM)
Unassigned SIM Cards for Later Issuance / Replacement (physical SIM)
Mobile Telephone Equipment
Calls within DR Congo
International Call Capability
International Roaming Capability
Wireless Application Protocol (WAP)
Temporary Additional Services (TAS)
SMS Messaging
Voice Mail
Caller Identification
Rental of Cellphones, with or without SIM Cards
24-hour Customer Service
Detailed Billing of Calls Made (in comma-separated values format)
Mobile Data Services (Internet based content deliveries)

The Contractor shall ensure that the connection through its network is of the highest quality possible and shall be uninterrupted, clear, and with no static. Network problems shall be remedied immediately, and the COR must be immediately informed of any problems and their resolution.

The contractor shall make available the following:

- Ability to swap existing telephone numbers.
- Ability to send SMS text notifications to end users when voice and/or data usage has reached 75% of the subscribed service plan and again when the end user has reached 100% of the subscribed service plan.
- Ability to alert Contracting Officer Representatives (CORs) and others listed in the Authorization memorandum on users' high consumption and block mobile services when required.

EQUIPMENT PACKAGE

The basic package shall include, but is not limited to, the following items:

Smartphone/Mobile Phone Device (**excluding Huawei, ZTE, Hytera, Hikvision, and Dahua models**)
Batteries (at least Li-Ion)
Battery Charger
Fixed Hands-Free Kit
Personal Hands-Free Unit
Belt Clip or Pouch
User Manual

Safety Certificate and Brochures

Hotspots (**excluding Huawei, ZTE, Hytera, Hikvision, and Dahua models**)

Modems (**excluding Huawei, ZTE, Hytera, Hikvision, and Dahua models**)

1.1. PREPAID SMARTPHONE MOBILE COMMUNICATION PLAN SERVICE

Smartphone Mobile service plans for prepaid service must support a variety of smartphone devices (iPhones, Android phones, Android tablets and iPads).

1.1.1 PREPAID PLAN A

- Voice calls originating in DR Congo – maximum of 500 minutes per subscriber line per month for use in DR Congo without incurring any roaming or long-distance charges; Ability to pull unused minutes from previous month.
- Mobile data (Internet based content deliveries) – maximum of 10 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges. Ability to pull unused Megabytes (MBs) from previous month.
- SMS/MMS messaging – maximum of 50 messages per month while in DR Congo to DR Congo mobile numbers.
- International long distance – Ability to make international calls originating in DR Congo.
- International roaming – Ability to make voice, SMS and mobile data connections for locations outside of DR Congo. This service must be disabled for every user by default. The only people authorized to permit the enabling of users are the Contracting Officer Representatives (CORs) and others listed in the Authorization memorandum.

1.1.2 PREPAID PLAN B

- Voice calls originating in DR Congo – maximum of 800 minutes per subscriber line per month for use in DR Congo without incurring any roaming or long-distance charges; Ability to pull unused minutes from previous month.
- Mobile data (Internet based content deliveries) – maximum of 30 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges. Ability to pull unused Megabytes (MBs) from previous month.
- SMS/MMS messaging – maximum of 100 messages per month while in DR Congo to DR Congo mobile numbers.
- International long distance – Ability to make international calls originating in DR Congo.
- International roaming – Ability to make voice, SMS and mobile data connections for locations outside of DR Congo. This service must be disabled for every user by default.

The only people authorized to permit the enabling of users are the Contracting Officer Representatives (CORs) and others listed in the Authorization memorandum.

1.1.3 PREPAID BASIC DATA-ONLY PLAN

Mobile data (Internet based content deliveries) – maximum of 20 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges. Ability to pull unused Megabytes (MBs) from previous month.

1.1.4 PREPAID STANDARD DATA-ONLY PLAN

Mobile data (Internet based content deliveries) – maximum of 50 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges.

1.2. POSTPAID SMARTPHONE MOBILE COMMUNICATION PLAN SERVICE

1.2.1 POSTPAID PLAN A

- Voice calls originating in DR Congo – minimum of 800 minutes per subscriber line per month for use in DR Congo without incurring any roaming or long-distance charges.
- Mobile data (Internet based content deliveries) – minimum of 30 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges.
- SMS/MMS messaging – minimum of 100 messages per month while in DR Congo to DR Congo mobile numbers.
- International long distance – Ability to make international calls originating in DR Congo.
- International roaming – International roaming – Ability to make voice, SMS and mobile data connections for locations outside of DR Congo. The only people authorized to permit the enabling of users are the Contracting Officer Representatives (CORs) and others listed in the Authorization memorandum.

1.2.2 POSTPAID PLAN B

- Voice calls originating in DR Congo – maximum of 1000 minutes per subscriber line per month for use in DR Congo without incurring any roaming or long-distance charges.
- Mobile data (Internet based content deliveries) – maximum of 50 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges.
- SMS/MMS messaging – maximum of 200 messages per month while in DR Congo to DR Congo mobile numbers.
- International long distance – Ability to make international calls originating in DR Congo.

- International roaming – International roaming – Ability to make voice, SMS and mobile data connections for locations outside of DR Congo. The only people authorized to permit the enabling of users are the Contracting Officer Representatives (CORs) and others listed in the Authorization memorandum.

1.2.3 POSTPAID PLAN C

- Voice calls originating in DR Congo – maximum of 1,200 minutes per subscriber line per month for use in DR Congo without incurring any roaming or long-distance charges.
- Mobile data (Internet based content deliveries) – maximum of 75 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges.
- SMS/MMS messaging – maximum of 300 messages per month while in DR Congo to DR Congo mobile numbers.
- International long distance – Ability to make international calls originating in DR Congo.
- International roaming – International roaming – Ability to make voice, SMS and mobile data connections for locations outside of DR Congo. The only people authorized to permit the enabling of users are the Contracting Officer Representatives (CORs) and others listed in the Authorization memorandum.

1.2.4 POSTPAID MOBILE DATA-ONLY PLANS

Mobile data (Internet based content deliveries) – maximum of 50 Gigabytes of data per subscriber line per month for use in DR Congo without incurring any roaming charges.

1.3. PRE-PAID SIM CARDS (electronic-SIM and physical SIM)

The contractor shall provide physical or electronic SIM without any cost when requested and activate without any charge

1.4. POSTPAID SIM CARDS (electronic-SIM and physical SIM)

The contractor shall provide physical or electronic SIM without any cost when requested and activate without any charge.

1.5. BLANK SIM CARDS FOR LATER ISSUANCE / REPLACEMENT (PHYSICAL SIMS)

The contractor shall provide blank SIM cards for later issuance / replacement (physical SIM) without any cost when requested and activate without any charge. Blank SIM card should remain active for a minimum of 90 days or have the option of extending the active period.

1.6. CALLS WITHIN DR CONGO

The Contractor shall ensure on a 24-hour basis at least **90% local network coverage** around DR Congo with special consideration to all urban areas and main traffic routes.

1.7. INTERNATIONAL CALLS

The Contractor shall ensure on a 24-hour basis international connectivity with the USA, the African Continent, all European countries, and all other worldwide countries that telephone services are available.

1.8. INTERNATIONAL ROAMING

The Contractor shall provide as extensive international roaming connectivity as possible, with the special interest of the Government for roaming within all *world-wide countries* and the USA.

1.9. CALL AND DATA SERVICES MANAGEMENT

The Contractor must provide call and data services and unrestricted access to all data services at the highest speed possible. The Contractor must send automatic notices (most commonly via SMS text messages) to a specific mobile number when the designated plan has reached the 75% data and call usage mark and the 100% data and call usage mark.

1.10. WIRELESS APPLICATION PROTOCOL (WAP)

The Contractor shall provide Internet connection through their network to the Wireless Application Protocol (WAP) Internet sites.

1.11. SMS MESSAGING

The Contractor shall provide access to around the clock SMS messaging.

1.12. VOICE MAIL

If available, the Contractor shall provide Voice Mail services in English and French Language. A Voice Mail Box shall be prepared for each number separately as per standard practice.

1.13. TEMPORARY ADDITIONAL SERVICES (TAS)

Rental of cellphones and mobile data hotspots with SIM Cards.

The Contractor shall provide up to 200 cellphones (with at least voice/SMS capability) and 50 mobile data hotspots (with data services capability) for rent within 7 days of notice and, according to Government needs, for official visits. Included with the devices should be a SIM card (if needed), an English Instruction **Manual**, batteries, and a phone/hotspot device charger. Equipment **cannot be Huawei, ZTE, Hytera, Hikvision, and Dahua models**. If these services are required, the Contracting Officer or COR will request a quote and a delivery order would be submitted.

1.14. 24-HOUR CUSTOMER SERVICE

The contractor shall provide technical support for setting up voice, roaming questions, questions on the phone features, number changes, number swap, lost or stolen Sims, and all other matter concerning the mobile telephone services through the Contractor's Project Manager. Contract Project Manager should be fluent in French and English.

Customer Service shall provide support within 1 hour of email notification.

The contractor shall provide an exclusive customer support email for the US Embassy with responses within one hour, 24/7. Besides the exclusive customer support email, the contractor shall also provide support at least through one other means of communication., i.e. Direct customer support telephone number.

The U.S. Embassy will require the vendor to activate/deactivate SIMs or reduce service plans to a minimum of "Keep Alive" within 1 hours of receipt of email or phone call from the Embassy.

The Vendor will establish a new service as needed within 1 hour of email or phone call notification.

1.15. DETAILED BILLING OF CALLS MADE (in comma-separated values format)

- I. The Contractor shall provide monthly breakdown of postpaid calls made by individual number. The breakdown shall clearly show:
 - A. Embassy account number
 - B. Cellphone number
 - C. Cellphone plan base price
 - D. Called numbers
 - E. The destination, time and date of the call
 - F. The duration of the call

- G. Cost of each call – Phone Plan
- H. Roaming charges – Phone Plan
- I. Taxes (if applicable)
- J. Total Price

- II. The monthly lists of calls made shall be forwarded to the Contracting Officer's Representative (COR) within three days of the end of the billing cycle for the previous month at: See memorandum.
- III. The monthly breakdown of calls made by individual numbers shall be provided on an online dashboard that can be readily available electronically. The U.S. Government requires monthly usage reports organized by geographic location, end user/device, called numbers, time/date of call, duration of call, and price among other package plan utilizations and other detailed billing reports.
- IV. The monthly utilization and detailed billing reports shall be available on a vendor online dashboard application, If applicable.

1.16. INVOICING

The Contractor shall submit monthly invoices to the Finance Office at kinshasainvoice@state.gov. A proper invoice must include the following information:

- Contractor's name and bank account information for payments by wire transfers
- Invoice Date
- Contract Number
- A summary showing a listing of each line with total monthly price for that line.
- A detailed invoice has to be attached to each summary invoice and should include the breakdown cost by each telephone line according to the pricing schedule
- A detailed list of all calls made for each line
- Prompt payment discount, if any
- Name, title, phone number, and address of person to contact in case of defective invoice

If an invoice does not contain the above information, the Government reserves the right to reject the invoice as improper and return it to the Contractor within 7 calendars days. The Contractor must then submit a proper invoice.

The Finance Office will review the detailed invoice and either approve for payment or advise of the inaccuracies found. The Finance Office will interact with the Contractor on any invoice problems.

Payment shall be made in USD by Electronic Funds Transfer (EFT) within 30 days after receipt of the proper invoice

The Government will provide annual proof of a direct exemption of Value Added Tax (VAT); according to host country VAT laws.

1.17. KEY PERSONNEL

- A. The Project Manager must be able to converse in English and French. The Contractor shall assign to this contract the following key person:

<u>POSITION/FUNCTION</u>	<u>NAME</u>
--------------------------	-------------

Project Manager	
------------------------	--

- B. During the first 90 days of performance, the Contractor shall make no substitutions of key personnel unless the substitution is required due to illness, death, or termination of employment. The Contractor shall notify the Contracting Officer within 15 calendar days after the occurrence of any of these events and provide the information required below to the Contracting Officer at least 15 days before making any permanent substitutions.
- C. After the first 90 days of performance, the Contractor may substitute a key person if the Contractor determines that it is necessary. The Contractor shall notify the Contracting Officer of the proposed action immediately. Prior to making the substitution, the Contractor will provide the information required below to the Contracting Officer.
- D. The Contractor shall provide a detailed explanation of the circumstances requiring the proposed substitution, a complete resume for the proposed substitute. The proposed substitute shall possess qualifications comparable to the original key person. The Contracting Officer will notify the Contractor of his approval or disapproval of the substitution within 15 days after receiving the required information. The Government will modify the contract to reflect any changes in key personnel.

1.18. PERMITS

Without additional costs to the Government, the Contractor shall obtain all permits, licenses, and appointments required for the work under this contract. The Contractor shall obtain these permits, licenses, and appointments in compliance with applicable **DRC** country laws.

1.19. GOVERNMENT FURNISHED PROPERTY

1. The Government intends to use Government Owned Equipment and Accessories. The Contractor shall provide a fully functional SIM card and telephone number.

1.20. ADDITION OF NEW LINES

The Contractor will provide a fully functional SIM card, telephone number, and appropriate security codes (PIN and PUK) to the COR within 24 hours after receiving a delivery order under the contract.

1.21. NON-OFFICIAL LINES

This Contract is valid only for official Government needs.

1.22. DISCLOSURE OF INFORMATION

Any information made available to the Contractor by the Government shall be used only for the purpose of carrying out the provisions of this contract and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the contract.

1.23. TECHNOLOGICAL REFRESHMENT

After contract award, the Government may; pursuant to FAR clause 52.212-4 - Contract Terms and Conditions –Commercial Items, paragraph (c), Changes; request changes within the scope of the contract. These changes may be required to improve performance or react to changes in technology.

The Contractor may propose for the Government's technological refreshment, substitutions or additions for any provided products or services that may become available as a result of technological improvements. The Government may, at any time during the term of this contract or any extensions thereof, modify the contract to acquire products which are similar to those under the contract and that the Contractor has, or has not, formally announced for marketing purposes. This action is considered to be within the scope of the contract. At the option of the Government, a demonstration of the substitute product may be required. The Government has no obligation to modify the contract in response to the proposed additions or substitutions.

Such substitutions or additions may include any part of, or all of a given product(s) provided that the following conditions are met and substantiated by documentation in the technological refreshment proposal:

The proposed product(s) shall meet all of the technical specifications of this document and conform to the terms and conditions cited in the contract.

The proposed product(s) shall have the capacity, performance, or functional characteristics equal to or greater than, the current product(s).

The proposal shall discuss the impact on hardware, services, and delivery schedules. The cost of the changes not specifically addressed in the proposal shall be borne entirely by the Contractor.

Contractor has the right to withdraw, in whole or in part, any technological refreshment proposal prior to acceptance by the Government. Contractor will use commercially reasonable efforts to ensure that prices for substitutions or additions are comparable to replaced or discontinued

products. If a technological refreshment proposal is accepted and made as part of this contract, an equitable adjustment, increasing or decreasing the contract price, may be required and any other affected provisions of this contract shall be made in accordance with FAR clause 52.212-4, paragraph (c), Changes, and other applicable clauses of the contract.

1.24. SPECIAL SHORT-TERM PROMOTION

For the entire contract duration, the Contractor will offer the U.S. Embassy the option to take advantage of any promotional programs that it offers and that is suited for use by U.S. Embassy staff. The U.S. Embassy, at its own discretion, will have the option to take or reject the opportunity.

1.25. DELIVERY ORDERS

The Contracting Officer will issue delivery orders to order phone and services to the Contractor for performance of work under this contract. If an order is given orally, it will be followed up by a written delivery order within 7 days.

1.26. TRAINING

The Contractor shall provide, at no additional cost, training to all U.S. Embassy employees who received a mobile phone. Training to be provided will include the proper operation of the equipment purchased and the equipment's operating features. The training will be coordinated with the COR to match the U.S. Embassy work schedule.

1.27. EQUIPMENT RETURN/DEFECTIVE POLICY

If a telephone is defective or is being returned, the telephone will be exchanged within 3 business days.

1.28. CUSTOMER SERVICE CENTERS

The Contractor is to provide a telephone number for the purpose of reporting equipment problems and malfunctions, billing inquiries, and customer question regarding accounts and services.

1.29. SURVIVABILITY AND RECOVERY

The Contractor shall have a working system of network survivability in case of emergencies and serious disasters when all networks may be jammed or when parts of the network are destroyed.

The Contractor shall have a recovery plan in place that shall deal with such occurrences.

QUALITY ASSURANCE AND SURVEILLANCE PLAN (QASP)

This plan provides an effective method to promote satisfactory contractor performance. The QASP provides a method for the Contracting Officer's Representative (COR) to monitor Contractor performance, advise the Contractor of unsatisfactory performance, and notify the Contracting Officer of continued unsatisfactory performance. The Contractor, not the Government, is responsible for management and quality control to meet the terms of the contract. The role of the Government is to monitor quality to ensure that contract standards are achieved.

Performance Objective	Scope of Work Para	Performance Threshold
<u>Services.</u> Performs all Smartphone/Mobile services set forth in the performance work statement /scope of work.	1. thru 1.29.	All required services are performed and no more than two (2) customer complaints are received per week.
