9. FAR 52.212-2, Evaluation—Commercial Products and Commercial Services- ADDENDUM

- a. The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. Award shall be based on all, some, or none and best value to the Government. Quotes will be evaluated on price and offeror's ability to meet the delivery and specification requirements of this RFQ as appropriate. Only new equipment will be accepted. Re- manufactured or grey market items will not be accepted. All items must include a manufacturer's warranty and be stated in their quote. The Government intends to award without discussions but reserves the right to enter discussions with offerors as deemed appropriate by the Contracting Officer. The Government reserves the right to conduct interchanges with offerors as deemed appropriate by the Contracting Officer. The following factors shall be used to evaluate offers:

- i. **Price**
- ii. **Past Performance**
- iii. **Acceptability IAW Solicitation**

Rating		Description
Acceptable		Offer clearly meets the minimum requirements of the solicitation & specifications provided.
Unacceptable		Offer does not clearly meet the minimum requirements of the solicitation.

- b. A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are Interchanges after its receipt, unless a written notice of withdrawal is received before award.
- c. **BASIS FOR AWARD / EVALUATION PROCEDURES:**
 - i. The Government will evaluate quotes starting from the lowest priced offer until at least two proposals are found "acceptable" from a technical standpoint. The technically acceptable Offeror's past performance will then be validated using the Government's logistical Award will then be made to the lowest priced, acceptable offeror. If only one "acceptable" offer is received, the Government will attempt to determine price to be fair and reasonable through other means than competition.
 - ii. Award will be made on the initial evaluation of quotes received in response to this RFQ. Therefore, offerors are cautioned to ensure that initial quotes contain your best terms from a technical and price standpoint. Offerors are further advised that any affirmative response in

regards to FAR 52.204-24(d) will be reviewed to determine if award is in the best interest of the government. If award is not in the best interest of the government, the government reserves the right to determine the quote ineligible for award.
