

NOTICE OF INTENT – BRAND-NAME

Solicitation Number: PR15893854

This is not a solicitation; this is a NOTICE OF INTENT to award a brand-name procurement action as follows:

The Bureau of International Narcotics and Law Enforcement (INL) at the U.S. Embassy in Bogotá-Colombia intends to award a firm fixed-price purchase order for the supply of Financial Investigation Software Licenses. For this requirement, ALTIA SOFTWARE LICENSES is considered the only brand, and no other supplies or services will accomplish Embassy Bogota requirements.

A brand name restriction is required for this software procurement due to integration and compatibility issues with the software currently in use by the Colombian National Police (CNP) and to meet operational requirements. CNP investigators are trained exclusively with Altia software, and it is the only brand authorized for use by the CNP as part of their financial crime investigations.

Product Service Code: 7A21, IT and Telecom - Business Application Software.
NAICS code: 541511, Custom Computer Programming Services.

This procurement action is being conducted in accordance with the statutory authority of FAR Part 6.103-1, which states that only one brand-name and no other will satisfy Embassy Bogota requirements.

Any interested party that believes it can meet the requirements described herein may identify themselves and must provide evidence of their capability to fulfill the requirement.

Responses must be submitted in writing to contact **Javier F. Lopez** at **LopezJF@state.gov** and must be received no later than April 4, 2026, at 16:00 hours (Bogota, Colombia) time.

Sincerely,

Chantale Breton
Contracting Officer, INL Bogota
