

Procedure for Visitors and Contractors / DBIDS Pre-Enrollment:

1. <https://dbids-global-enroll.dmdc.mil>
2. When you open, you will come to the Welcome Page: DBIDS Pre-Enrollment. Scroll down to the Consent to Monitor section and click Get Started

Consent To Monitor

Use of this U.S. Government (USG)-interest computer system constitutes consent for authorized monitoring at all times.

- This is a USG-interest computer system. This system and related equipment are intended for the communication, transmission, processing, and storage of official USG or other authorized information only. This USG-interest computer system is subject to monitoring at all times to ensure proper functioning of equipment and systems including security systems and devices, and to prevent, detect, and deter violations of statutes and security regulations and other unauthorized use of the system.
- Communications using, or data stored on, this system are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any authorized purpose.
- If monitoring of this USG-interest computer system reveals possible evidence of violation of criminal statutes, this evidence and any other related information, including identification information about the user, may be provided to law enforcement officials. If monitoring of this USG-interest computer systems reveals violations of security regulations or other unauthorized use that information and other related information, including identification information about the user, may be used appropriate administrative or disciplinary action.
- Use of this USG interest computer system constitutes consent to authorized monitoring at all times.

GET STARTED
