14. ADDITIONAL SECURITY REQUIREMENTS

Requirements, in addition to NISPOM requirements for classified information, are established for this contract.

☐ No ☒ Yes *If Yes, identify the pertinent contractual clauses in the contract document itself, or provide an appropriate statement which identifies the additional requirements. Provide a copy of the requirements to the CSO. The field will expand as text is added or you can also use item 13. When removing any expanded text area, use delete key or backspace key, then click out of the text field for it to shrink after the text has been deleted. (See instructions for additional guidance or use of the fillable PDF.)*

Prior approval of the contracting activity is required for subcontracting. All DD FM's 254 prepared for a subcontract by the prime contract will be forwarded to the government contracting monitor and SSO Patrick for signature prior to award of the subcontract. Access to intelligence information will require special briefings and final U.S. Government Top Secret eligibility clearance with ICD 704 eligibility. Report adverse information as required by 32 CFR part 117.8.

15. INSPECTIONS

Elements of this contract are outside the inspection responsibility of the CSO.

☐ No ☒ Yes *If Yes, explain and identify specific areas and government activity responsible for inspections. The field will expand as text is added or you can also use item 13. When removing any expanded text area, use delete key or backspace key, then click out of the text field for it to shrink after the text has been deleted. (See instructions for additional guidance or use of the fillable PDF.)*

While operating on an Air Force installations, Industrial Security Reviews for collateral classified information will be conducted by the responsible unit security specialist or assistant. SSO Patrick has exclusive security responsibility for all sensitive compartmented information and material under this contract and held at the government facility.
