TAX ON CERTAIN FOREIGN PROCUREMENTS-NOTICE AND REPRESENTATION (JUN 2020)

(a) *Definitions.* As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

 - (i) A court within the United States is able to exercise primary supervision over the administration of the trust; and
 - (ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

- (1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and
- (2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

Vendor's technical approach will be evaluated to determine if the vendor's quoted technical solutions meet or exceeds the requirements of the Performance Work Statement. Subfactor 1, FCC Licensing Permits (PWS 3.2). Did the vendor include the proper FCC Licensing Permits with their quote? Yes/No

Subfactor 2, Requirements Objective - Repeater Stations (PWS 2.1, 2.2). Vendor's technical approach will be evaluated based on the soundness of their approach in meeting the government's requirements based on their written response specific to the PWS Section 2.1: Supporting Tasks 2.2.1-2.2.8.

Offerors shall assume that the Government has no prior knowledge or experience and will base its evaluation on the information presented in the Offer's quote.

Award will be made to the responsible offeror whose quote provides the best value to the Government. Per FAR 12.203(c)(2), the Contracting Officer will conduct a comparative evaluation of quotes to determine price reasonableness. This analysis may rely on market research and established commercial pricing standards rather than a formal cost-accounting breakdown, ensuring an efficient acquisition process that maintains fiscal responsibility for commercial products and services. Before making award, the contracting officer must determine that the quote is fair and reasonable.

The following factors shall be used to evaluate quotes: Price and Technical. If no quote is deemed technically acceptable the government will make a determination to resolicit.

If an offeror's quote is determined technically unacceptable the entire quote will be considered unacceptable, and the offeror will be ineligible for award.

RATING DEFINITIONS:

Furthermore, under FAR 9.104-1, a prospective contractor must demonstrate a satisfactory performance record to be deemed responsible. If a contractor lacks relevant past performance history, they shall not be evaluated favorably or unfavorably on this factor, but vendors must still meet the general ethical and capability standards required to protect the government's interests. The criteria for Past Performance shall include:

Criteria	Definition
----------	------------

Recency	Contracts performed or completed within the last three (3) years from the date of solicitation issuance
Relevancy	Projects of similar scope, magnitude, and complexity to the current requirement (e.g., similar dollar value, service type, or technical difficulty).
Quality of Performance	How well the contractor performed, focusing on: Compliance with requirements Timeliness of delivery Cost control Management effectiveness

4.4 Volume 4 - Factor 3: PRICE:

Submit all pricing in the Pricing Sheet (Excel spreadsheet) provided as Attachment # 1.

To account for the potential extension of services under FAR 52.217 8 (up to six months), the Government has included a table in Attachment 1 titled "FAR 52.217 8 Option to Extend Services." The contractor shall provide a unit price for each CLIN listed in the table for evaluation purposes. If the Government exercises FAR 52.217 8, the extension will be performed at the same rate used during the most recently completed period of performance, in accordance with the clause. The contractor shall provide a Unit Price for each CLIN Description. If the Government has to exercise the option under FAR 52.217-8, then the Government will use the rate given for the last year performance was completed.

(Feb 2026)

Evaluation-Commercial Products and Commercial Services (Feb 2026)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

The following factors shall be used to evaluate quotes: Price and Technical.

All quotes will be ranked by price first (Lowest to Highest), then evaluated for technical acceptability in that order. Once a quote is found technically acceptable, evaluations will end, and no other quotes will be technically evaluated. If no quote is deemed technically acceptable the government will make a determination to re-solicit. If an offeror's quote is determined technically unacceptable the entire quote will be considered unacceptable, and the offeror will be ineligible for award.

(b) *Options (if applicable)*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) *Notice of award*. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
