Additional Information/Notes

The following clauses were modified:

52.212-2 Evaluation-Commercial Products and Commercial Services. (Deviation 2026-O0038) Feb 2026
hereby reads as follows:

(TAILORED)

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation 2026-O0038)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

BASIS OF AWARD: Quotes will be evaluated based on (1) Technical Capability to meet the Government's requirement; (2) Past Performance; and (3) Price.

This acquisition will be conducted in accordance with FAR Part 12, Acquisition of Commercial Products Commercial Services.

This is a 100% Small Business set-aside.

A mere statement that the vendor "will meet the Government's requirement" is insufficient; the vendor must demonstrate how it will meet the requirement. Vendor quotes shall include the following information:

a. Technical Capability: The vendor shall audition and provide a resume that demonstrates their ability to provide the required service in the solicitation. The vendor should address: their experience providing support of Catholic and Protestant Chapel worship services; their experience in detail of how they meet the requirements of the PWS; their ability to be present on required days, at required times; and any other relevant information.

b. Past Performance: Offerors should submit at least three (3) relevant past performance references. Relevant past performance is defined as performance of work within the last three (3) years of similar size, scope, and technical complexity to this requirement. If an offeror has no relevant past performance history, the offeror must affirmatively state that it possesses no relevant past performance history. Include the following information for each reference listed:

- (a) Agency or company name.
- (b) Contract number (if applicable).
- (c) Point of Contact name, phone number and fax number.
- (d) Brief description of contract and relevance to this requirement.
- (e) Total contract value.
- (f) Period of performance.

c. Price: The price offered must reflect unit prices, extended amounts per line item, and overall total. (Note: All prices must be actual "face-value" pricing having already accounted for any discounts offered and extended to the Government).

PREPARATION OF QUOTE: Quotes submitted shall include the following:

- (a) Technical Capability detailing how the service offered will meet the Government's requirement.
- (b) Price Quote within the solicitation.
- (c) CAGE Code within the solicitation.

SUBMISSION OF QUOTE: Quotes shall be submitted electronically via email (no larger than 10MB) to ~~kasey.king@usmc.mil~~ **regina.hartley@usmc.mil**. The Notice ID must be clearly shown in the subject line. It is solely the Offeror's responsibility to ensure quotes are submitted in accordance with FAR provision 52.212-2 and received within the required timeframe. The vendor is responsible for ensuring that quotes are received in the Contracting Office no later than ~~5:00 P.M. (EST) on 7 May 2026~~ **2:00 p.m. (EST) on 15 May 2026** as indicated on page one (1) of this solicitation. Failure of vendor's quote to be received prior to the hour and date specified may result in rejection of the quote.

(b) Options (if applicable). The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) Notice of award. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)
