C-212-W001 **CONTRACT TERMS AND CONDITIONS—COMMERCIAL ITEMS ADDENDUM TO 52.212-4 (NAVSEA) (OCT 2018)** **(Oct 2018)**

(o) Warranty -- append the following to paragraph (o):

The contractor shall extend to the Government the full coverage of any standard commercial warranty normally offered in a similar commercial sale at no additional cost to the Government. Acceptance of the standard commercial warranty does not waive the Government's rights under the "Inspection" clause nor does it limit the Government's rights with regard to the other terms and conditions of this contract. In the event of a conflict, the terms and conditions of the contract shall take precedence over the standard commercial warranty. The standard commercial warranty period shall begin upon final acceptance of the applicable material and/or services listed in the Schedule.

The contractor shall provide a copy of its standard commercial warranty (if applicable) with its offer. **The warranty covers a period of months. (Offeror is to insert number.)**

C-212-W002 **COMMERCIAL SUPPLIER AGREEMENTS (NAVSEA) (MAR 2019)** **(Mar 2019)**

(a) Commercial Supplier Agreement means End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement.

(b) Any Commercial Supplier Agreement must be provided in full text as part of a quote or offer without hyperlinks.

(c) The contract/order Schedule and Federal Acquisition Regulation (FAR) 52.212-4, Contract Terms and Conditions--Commercial Items, shall take precedence over any conflicting provisions in a Commercial Supplier Agreement.

(d) If any requirement in the Commercial Supplier Agreement conflicts with Federal law or regulations (see FAR 12.212(a)), the following shall apply:

(i) Any such requirement is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such requirement by virtue of it appearing in the Commercial Supplier Agreement. If the Commercial Supplier Agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such requirement.

(iii) Any such requirement is deemed to be stricken from the Commercial Supplier Agreement.

(e) Automatic renewals. License Agreements will expire at end of the term identified in the Purchase Order /Contract. Automatic renewals are not permitted and any such provision is void.

(f) Changes to the Commercial Supplier Agreement. Unilateral changes of the Commercial Supplier Agreement are impermissible and any requirement authorizing such changes is unenforceable. Changes must be in writing and executed by both parties to be effective.

(g) Third Part License (Embedded Software).

(i) The Contractor agrees that it has obtained all necessary licenses for the Government for any third party materials (including without limitation all Open Source licenses) provided within the product.

(ii) Contractor agrees that it complies with and shall continue to comply with all of its obligations under Third Party Licenses (including without limitation all Open Source licenses) associated with any third party materials provided within each product.

(iii) To the extent that the Government's use of the software products licensed herein is in compliance with the Contractor's Commercial Supplier Agreement, the Government's use will also be in compliance with any Third Party Licenses.

(h) Audits. In lieu of any audit provisions in the Commercial Supplier Agreement, the Government agrees that, no more than once every twelve (12) months or within a reasonable time after a transfer, the Contractor shall, upon reasonable notice, have the right to require that the Government conduct an internal audit to ascertain and verify the number of licenses in use and to verify that the Government's use of the product is in conformity with this Agreement. The Government is not required to use any tools provided by the Contractor to conduct the audit and shall not be required to pay for any tools provided by the Contractor to conduct the audit. The results of any such audit shall be kept confidential.

If verification discloses that the Government's use is not in conformity with this Agreement, the Government agrees to resolve any noncompliance by either removing or correcting the unlicensed installation and use of the software identified by the audit as not in conformity with this Agreement.

(i) Confidentiality. Commercial Supplier Agreements' terms and the final contract pricing may not be deemed confidential. Other marked confidential information will be appropriately guarded.

(j) Assignment. The Government shall have the right, without the prior written consent of the Contractor or its authorized resellers, to assign, reassign, or transfer software licenses among Government employees or the Government's rights in the Contractor's product to any governmental organization that is managed, operated, or controlled by the Government.

Such authorization includes sublicensing, and assignment or transfer among or between authorized users. In the event authorized users are reorganized or restructured such that their responsibilities and operations are transferred to another government agency, the agency shall have the right to assign the affected program licenses to a successor agency. The licensed agency and the successor agency agree to be bound to the Commercial Supplier Agreement as modified. The transferee shall be bound by the license metrics and limitations in this license. Government shall complete any documentation required by the Contractor to facilitate the transfer of this license, and continuation of support shall be the responsibility of the transferee.

For the avoidance of doubt, any assignment or transfer of licenses of the Contractor's products is also subject to all other terms of the Commercial Supplier Agreement, as well as the Contractor's policies governing product dependencies and version compatibility. Reassignment does not require that the license be under maintenance or support in order to execute a transfer.

(k) Litigation. Any requirement insisting that the commercial supplier or licensor control any litigation arising from the government's use of the contractor's supplies or services is deleted and unenforceable.

(l) Equitable Remedies. Equitable remedies, injunctive relief, and binding arbitration requirements shall not be enforced unless explicitly authorized by agency guidance or statute.

(m) Venue. Any claim or dispute shall be resolved under the Contract Disputes Act and FAR 52.233-1. The forum for resolution of disputes and applicable statutes of limitation shall be governed by federal law.

(n) Applicable law. In accordance with FAR 52.233-4, United States law shall apply to resolve any claim of breach of this contract and such actions shall be handled in the applicable Federal court of jurisdiction.

G-232-H005 **SUPPLEMENTAL INSTRUCTIONS REGARDING INVOICING (NAVSEA) (JAN 2019)** **(Jan 2019)**

(a) For other than firm fixed priced contract line item numbers (CLINs), the Contractor agrees to segregate costs incurred under this contract/task order (TO), as applicable, at the lowest level of performance, either at the sub line item number (SLIN) or CLIN level, rather than at the total contract/TO level, and to submit invoices reflecting costs incurred at that level. Deliveries will not be accepted on Saturdays, Sundays or Holidays except as specifically requested by the [insert activity name]. All goods or services attempted to be delivered on a Saturday, Sunday or Holiday without specific instructions from the Contracting Officer or his duly appointed representative will be returned to the contractor at the contractor's expense with no cost or liability to the U. The contractor shall not direct charge to the contract for such time off, but shall follow parent company policies regarding taking leave (administrative or other). Non-essential contractor personnel, who are not required to remain at or report to the facility, shall follow their parent company policy regarding whether they should go/stay home or report to another company facility. Subsequent to an early dismissal, delayed opening, or during periods of inclement weather, onsite contractors should monitor the OPM website as well as radio and television announcements before departing for work to determine if the facility is closed or operating on a delayed arrival basis.

The shipping documentation shall contain this contract number and the Lot/Item identification. This contract elsewhere specifies the characteristics that the first article must meet and the testing requirements.

(b) Within ____ calendar days after the Government receives the first article, the Contracting Officer will notify the Contractor, in writing, of the conditional approval, approval, or disapproval of the first article. The notice of conditional approval or approval shall not relieve the Contractor from complying with all requirements of the specifications and all other terms and conditions of this contract. A notice of conditional approval will state any further action required of the Contractor. A notice of disapproval will cite reasons for the disapproval.

(c) If the Government disapproves the first article, the Contractor, upon Government request, shall submit an additional first article for testing. After each request, the Contractor shall make any necessary changes, modifications, or repairs to the first article or select another first article for testing. All costs related to these tests are to be borne by the Contractor, including any and all costs for additional tests following a disapproval. The Contractor shall furnish any additional first article to the Government under the terms and conditions and within the time the Government specifies. The Government will act on this first article within the time limit specified in paragraph (b) above. The Government reserves the right to require an equitable adjustment of the contract price for any extension of the delivery schedule or for any additional costs to the Government related to these tests.

(d) If the Contractor fails to deliver any first article on time, or the Contracting Officer disapproves any first article, the Contractor will have failed to make delivery within the meaning of the Default clause of this contract.

(e) Unless otherwise provided in the contract, the Contractor-

(1) May deliver the approved first article as a part of the contract quantity, provided it meets all contract requirements for acceptance and was not consumed or destroyed in testing; and

(2) Shall remove and dispose of any first article from the Government test facility at the Contractor's expense.

(f) If the Government does not act within the time specified in paragraph (b) or (c) above, the Contracting Officer will, upon timely written request from the Contractor, equitably adjust under the Changes clause of this contract the delivery or performance dates, the contract price, or both, and any other contractual term affected by the delay.

(g) The Contractor is responsible for providing operating and maintenance instructions, spare parts support, and repair of the first article during any first article test.

(h) Before first article approval, the acquisition of materials or components for, or the commencement of production of, the balance of the contract quantity is at the sole risk of the Contractor. Before first article approval, the costs thereof shall not be allocable to this contract for (1) progress payments, or (2) termination settlements if the contract is terminated for the convenience of the Government.

(i) The Government may waive the requirement for first article approval test where supplies identical or similar to those called for in the schedule have been previously furnished by the Offeror/Contractor and have been accepted by the Government. The Offeror/Contractor may request a waiver.

- (1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;
- (2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. (ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
